good barnyard manure well worked into the soil. Manure gives food for the growth of other plants, and when these occupy the land the sorrel disappears. If the ground be broken up in July or August, and a crop of ruta bagas or buckwheat put in, and fol- lowed the next season with some hoed crop, the sorrel will be pretty effectually snubbed out.	BOOTS and SHOES, BEST MAKES. CROCKERY, GLASSWARE, LAMPS. This part of our stock we pay particular attention to, and now offer two of the best patterns of fronstone Ware in the market.
