Towanda, Thursday, November 15, 1866.

THE NOVEMBER ELECTIONS.

Elections were held on Tuesday, November 6th, in twelve States.

Republicans in triumph; in the other two, Maryland and Delaware, we grieve to say, the tide of returning rebels and Andrew Johnson's treason to the

Loyal men of the South and the Republican party, are doing the work which armed traitors failed to do in the field of battle.

But, save in these two States, the Republican triumph has been as complete as it was in 1864, when Lincoln and Johnson, and the present Congress, were elected.

Congress has been sustained as representing the people in its reconstructing the rebel States, and the people, therefore, condemn Andrew Johnson's reconstruction policy as emphatically as Congress is sustained.

The following is the result in the several States, and it will be varied very little by the official returns:

MASSACHUSETTS.—Gov. Bullock is re-elected by 65,000 majority and a solid delegation of 10 Republicans to Congress, and all the Republican State and county officers.

NEW YORK.—Gov. Fenton is re-elected by about 15,000 majority, and the rest of the State ticket by the same majorities.

There are 20 Republican members of Congress to 11 Democrats. Both branches of the Legislature secure a Republican U. S. Senator.

NEW JERSEY.—The only northern State that voted for McClellan in 1864 has grandly wheeled into the Republican line, and elected 3 Republicans to 2 Democrats to Congress, a gain of one.

Both branches of the Legislature are Republican.—The Senate 13 to 8, the House 33 to 27, securing the election of a Republican U. S. Senator in the place of Wright, Dem., just deceased.

This gives New Jersey two Republican Senators in the U. S. Senate.

ILLINOIS.—The Republican majority in the State is about 45,000, electing 11 Republicans to 2 Democrats to Congress at the head of which stands that Democratic "War Horse" Gen. John A. Logan.

A Republican Legislature secures the re-election to the U. S. Senate of Senator Trumbull.

MICHIGAN.—Re-elected the present Republican Governor by 30,000 majority, a united Republican delegation of 6 to Congress, and left scarcely a "specimen brick" of Democracy in the State Legislature.

WISCONSIN.—Republican by 30,000; 5 Republicans and 1 Democrat to Congress, and Legislature overwhelmingly Republican—securing the re-election of Senator Howe or some other Radical.

MISSOURI.—This re-generated and purified State of the great valley, west of the Mississippi has covered herself with imperishable Radical glory, and gone by 20,000 majority for Congress, against the President and the Blair and their allies, the rebels.

7 Radicals to 2 Conservatives to Congress are elected, and a Legislature secures the election of a Radical to the U. S. States Senate in place of B. Gratz Brown, who declines a re-election.

KANSAS.—Kansas, glorious Kansas, that was ushered into existence amid scenes of carnage and blood, has again come out with the Radical flag victorious, electing a Radical Governor and member of Congress by 15,000 majority, and a Radical Legislature which will secure two radical U. S. Senators.

NEVADA.—The youngest State of this Union has gone Radical by 1000 majority, electing a radical Gov. and member of Congress and a radical Legislature, securing a radical U. S. Senator in the place of Gen. Nye.

MINNESOTA.—Radical by 10,000 majority, electing both radical Congressmen and a line State Legislature.

MARYLAND.—Has elected four Democrats to Congress, and one Radical, and a Democratic Legislature, securing a Democratic U. S. Senator in the place of Cresswell, Radical.

DELAWARE.—Elected a Copperhead Gov., member of Congress and a Legislature of the same kind. This is as it was before.

CONGRESS.—The present Senate stands 38 Radicals and 13 Democrats and Conservatives. The next is likely to have 41 Radicals and 10 Democrats.

THE NOVEMBER ELECTIONS. The present Senate stands 38 Radicals and 13 Democrats and Conservatives. The next is likely to have 41 Radicals and 10 Democrats.

Whereas, it hath been the good and worthy custom of the commonwealth to set apart annually a day for the special acknowledgment of the goodness of the Almighty, and for expressing, by the whole people, at one time, and with a common voice, the thanks and praise which throughout the year are springing from the hearts of men; therefore,

I, Andrew G. Curtin, Governor of the Commonwealth of Pennsylvania, do, by this my proclamation, recommend that the great people of the commonwealth observe To-day, the twenty-ninth day of November next, as a day of Thanksgiving and Prayer, and do then assemble in their respective churches, and places of worship, and make their humble thank-offering to Almighty God for all his blessings during the past year.

For the abundant gathered fruits of the earth; For the thus far continued activity of industry; For the general preservation of health; And especially for that, in His divine mercy, He hath stayed the threatened pestilence.

And, moreover, that they do beseech Him to continue unto us all His blessings, and to confirm the hearts of the people of these United States, that by the lawful force of their will, deeds of good justice, wisdom and mercy may be done.

Given under my hand and the great seal of the State, at Harrisburg, this twenty-ninth day of October, in the year of our Lord one thousand eight hundred and sixty-six, and of the commonwealth the ninety-first.

By the Governor. ELI SHUFER, Secretary of the Commonwealth.
