

LOCAL AND GENERAL.

Lost on Tuesday evening, between Towanda and Monroeton, a lady's gold watch. The finder will be liberally rewarded by leaving it at this office.

The Columbian was established at Bloomsburg, by the "Broad and Butter" brigades to supplement the "Republican." As might have been expected, after a few months of sickly existence, it gave up the ghost, and it now comes under its true colors, being edited by J. G. FEEZE, Esq., once imported into this county, to enlighten this benighted section.

We have received a copy of the Tribune Almanac and Political Register. There is no other work published in the United States which gives a more complete view of political parties and their past acts than this little work. Its epitome of astronomical facts, tide tables and synopsis of acts passed by Congress, are very valuable.

Mr. Willits delivered a most genial, cheerful, buoyant and common sense lecture on "Sunshine," which before he concluded, he succeeded in beaming into every heart and heart within the sound of his voice. The term sunshine was used in the sense of cheerfulness in all the affairs and conditions of life. The lecture was filled with apt illustrations and felicitous anecdotes, and the audience was one moment moved to mirth and another to the contemplation of the good sense that was so profusely uttered. The lecture was one of the best that has been given in Bradford for years, and should be heard everywhere.

The lecture will be delivered at the Court House, Tuesday evening, Feb. 5. The price of tickets is fixed at 50 cents.

On Monday last, George Brooks of Tioga Centre, was driving logs, and an old man, Mr. Schooner, coming the same way with a gun in his hand, attempted to get on to ride. In getting on, he slipped and fell, and in falling the gun was discharged, dangerously wounding Mr. Brooks in the thigh. The man fled, and was seen an artery having been hit. He is doing well. Dr. Daniels of Owego, we learn was called.—Owego Gazette.

Killed by a Horse.—We learn that on Saturday last, while Mr. Orson Payne, residing about five miles from New Milford, was at work in his stable, he was kicked on the head by one of his horses, and lived but a few moments after. The horse was newly shod and Payne's skull was badly shattered by the coaks of the shoe.

Highway Robbery.—A bold and successful robbery was committed about six o'clock on Wednesday evening last, between the river bridge and Kingston, the Hope Express Company being the sufferers.

Elmira has been again afflicted with a disastrous fire. On Tuesday night last, fire broke out in a building south of Water street, owned by Judge Dunn and occupied by Isadore Pencher as a clothing store. Two buildings in the block, Judge Dunn's and H. B. Locke's, were burned, involving a loss of \$7,000 to each—but little insurance on either. There were many occupants in the buildings, who lost quite heavily, but were generally well insured.

The Steamer worked admirably, and actually put the fire out, notwithstanding the terribly severe weather.

Special Notices.

LIFE INSURANCE.—To the Editor of THE N. Y. TRIBUNE:—Sir: The unprecedented success of the Connecticut Mutual Life Insurance Company the past year, is worthy of special notice. Having issued over 12,000 new policies—the income about \$6,000,000—being over \$18,000,000 per day—its capital increased about \$4,000,000 over the year—its assets being now about \$14,000,000. The number of policies now in force, about 400,000, being the largest number of any company now in this country—all combine to show how the public appreciate the old Connecticut Mutual Life Insurance Company. You will oblige us by giving the following insertion in your truly valuable paper, which will answer the many misstatements now being made by the press in relation to the success of this company. We are, Yours, etc., PECK & HILLMAN, Troy, N. Y. Jan. 8, 1867.

LETTER FROM BANKERS. Troy, October 20, 1866. Messrs. PECK & HILLMAN, General Agents of Connecticut Mutual Life Insurance Company: GENTLEMEN:—The undersigned, policy holders in the Connecticut Mutual Life Insurance Company, feel that it is too late in the day for this Company to need any recommendation from us. Yet, in view of the fact that rival companies are jealous of her unparalleled success, and are making an effort to disparage her, we take great pleasure in saying that the Connecticut Mutual has done better by us than was generally supposed. Your representations to us have been more than realized. The non-forfeiture feature in saying that the Company's policy is paid to us, and especially the 60 per cent. dividend paid this year, also the change made by which in the settlement of policies at death, not even a single note comes out of policy, and you have always been in the confidence of your Company. And we cheerfully recommend it to all desiring to get their lives insured. We would not recommend any insurance in this for one in any other company.
