RAILROAD MEETING .- In pursuance 41 Park Row, New York. of a brief notice many citizens of Waverly

and vicinity met at Van Duzer's Hall on Friday evening last, and organized by making Moses Lyman Jr., Chairman, and O. H. station of the Erie Railway, received such P. Kinney, Secretary.

Lyman Murdock Esq., of Auburn, being night while coupling cars together, as to alled upon, gave a very interesting and de- cause his death in about eight hours. The tailed account and history of the contemer home, for interment. He was liked by plated railroad from Auburn to Waverly, showing it to be the e siest, shortest and all who knew him and leaves a large circle most practicable route from Auburn to the of friends and relatives to mourn his sad coal fields of Pennsylvania. A portion of fate. the road has already been graded, the work

being to-day worth more than \$500,000, which will be given in the event of the road's being bailt. The route is remarkably free from eurves, with a grade north-ward not exceeding 22 feet, and southward not exceeding 24 feet to the mile. It is several miles nearer the objective point, and can be put in running order for \$1,000,000 less, than any other route. These facts, with the fact that this must eventually be-Minatures" at Wood & Harding's Photoome a great North and South thoroughfare, ought to induce capitalists and land wners along the line to go down in their pockets and secure an early building of the road. Railroads are the life of communities, and to owner's of real estate, become the "Philosopher's stone." Not a farm can be touch d by them which is not in-creased in value, and not a village can be Jan. 31, 1867. creased in value, and not a village can be
