LOCAL AND GENERAL

A meeting of the Bradford County Bible Society will be held in the Presbyterian Church, Towands, on Sunday vening, June 16th. A general attendance s colicity. J. O. BLIGHT, Secretary.

GEO. R. OAT, Esq., President of the Barclay Railroad and Coal Company, is in

Water has been let into the canal from the State Line to this place, and the shipment of coal has already commenced. We understand that by an arrangement of the various Bituminous Coal Companies, only seventy-five thousand tons of coal will be shipped by the companies in this place.

John R. Arrison, formerly a clerk in the office of the Barclay Coal Company, was elected Alderman in the 5th Ward, Washington, D. C., at the recent election. It is needless to add that Mr. Annison is a Badical Republican.

· Fire in Blossburg.—We learn indirectly, and not very explicitly that the tavern-house occupied by John R. Taylor, at Blossburg, and the building adjoining, occupied by John Fletcher, as a store, were destroyed by fire last Wednesday evening. No particulars as to the origin of the fire, the loss, or insurance, have yet reached us. Since the foregoing was written we have received the Corning Journal, from which we learn that the hotel property was owned by the Messrs. Velie, and insured for \$1000. Also that a policy for \$1500 expired about ten hours previous, and was not renewed because the Company had advanced on the rate. - Tioga Agilator.

FIRE IN MANSFIELD .- At daybreak of the 29th, a fire was discovered in Wheeler's Grocery Store, Mansfield, and soon spread to the adjoining building owned by Messrs. Ross & Williams, and occupied by them for an office and by Mr. Lang as a Drug store. The fire had made such progress when discovered that nothing of consequence was saved out of Wheeler's stock. The contents of the drug store and Ross & Williams's office were saved with little damage. Mr. Wheeler's stock was insured for \$1000. No insurance on the buildings.-Messrs. R. & W. lose about \$700.

The fire is believed to have been acciden tal. Mr. Wheeler, who, with his family, occupied the second story of his store building as a dwelling, had barely time to escape with life. - Tioga Agitator.

The following gives the full particulars of the late melancholy and fa-backs and get one of those opal shades. tal occurrence in Ulster, resulting in the They are a new style, of superior quality and of Thomas J., son of Wm. and Ann Welght, aged 13 years and 5 months :

"The circumstances of this death are of most painful and melancholy character. Being requested by the bereaved family to write an account of the case, we will state the particulars as they have been given us by persons best qualified to tell them cor-

"The deceased left his home on Moore's Hill, (three miles from Ulster,) on Friday, May 31st, at about 6 o'clock, p. m., in company with another lad. Joseph Morrison with the intention of going to attend an Indian Entertainment at Ulster. Shortly after the started, they were joined by a third lad, of the name of Bobert-Watson, who, coming into the road out of a field with a pistol in his hand, hailed them, saying that "his pistol would not go off." It appears that he had somewhere dropped it ing Bonds, the undersigned have arrangein the water while hunting for wood-chucks. The lad Morrison said, "Let me try it."-Thereupon he took it, and tried it, without effect. Afterward, each of the three boys tried it, repeatedly; and, as it did not go off, the conclusion was that it would not. Young Morrison finally turned it toward the boy Watson, and tried it; whereupon this boy said he did not want to have it snapped at him again. The boy Thomas Wright, (so it is reported) immediately said he was not afraid to have it snapped at him; and then, young Morrison pointed it toward him and pulled, in which instance the pistol was unexpectedly discharged. The ball struck the unfortunate boy just in front of the ear, passing nearly through theshead, and lodging in front of the opposite ear. The result was fatal. The lad site ear. The result was fatal. The lad quiminot, Gen. Washington, La Reins, Victor Verdier, Hermosa, Souvenir de Malmaiward. Young Watson ran to the dwelling son and many other monthlies. Also Moss of widow Sarah Strouse, twenty or thirty and Climbing Roses.

Among the Miscellaneous Plants will be rods distant, and gave the alarm, and she and Mr. James Howie, a near neighbor, hastened to the spot, finding the boy lying senseless at the roadside. He was carried into the dwelling of Mrs. Strouse, where

he expired at about 7 o'clock. "The lad who fired the pistol, as soon as he saw the fatal effect of his careless act, threw down the weapon, ran away from the Flat Dutch. Sweet and Bell-shaped Pepscene, and was no where to be found. As he did not return home during the night. search was made for him on the next day, (Saturday,) and also on the next. The whole region was explored, and the pond, known as Hovey's Pond; was drawn off. He was discovered on Monday morning, under his father's barn, lying in a sheeptrough, in a stiff and apparently senseless state. Dr. Mills, of Ulster, was at once called to see him, and, at the time of this writing, the lad is reported to be much better, though still greatly cast down in spirit, and strangely shy and taciturn. He is the adopted son of Mr. Andrew Morrison, and is fourteen years of age.

"The firing of the pistol is, we think, justly regarded as an act of boyish rashness, rather than an act proceeding from any criminal impulse. Both the boys had happily associated together in their sports previously, and their uniform agreement with each other, in their associations, precludes the idea of crime. But such fool hardiness is shocking to contemplate.

been a prominent politician for many years and yet, to the casual observer, he does not now appear to be past the meridian of life. He appears to be in the enjoyment of vigorous mental and physical health.

As Mr. J. E. GOODRICH, and wife, of Troy, were coming toward town, on Thursday evening last, in a carriage, the horses became frightened and unmanngeable, when near the residence of Mrv.

J. C. ADAMS, and upset the wagon. Mr. G. succeeded in preventing the team from getting away, but Mrs. G. was very badly injured, having both her ankles sprained.

CHARLES U: PAINE, Esq., of Troy, sailed on Saturday last, from New York, with the Mediteranean Excursion party.

The Commissioners are going to have a stone pavement put down in front of all the county buildings.

Lost.—A Gold Ring with an Amethyst setting ; monogram H. W.; motto audacter et sincere." Finder will be liberally rewarded by leaving same at Reporter Towands, June 11, 1867.

CLEANSE THE BLOOD.—With corrupt, or tamted blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYRE'S SARSAPARILLA purges out these impurities; it expols disease and restores health and stimulates the organs of lile into vigorous action. Hence it rapidly currs a variety of compaints which are caused by impurity of the blood, such as Seroluia, of King's Evil, Tamors, Ulcers Sores, Eruptions, Pimples, Blotches, Bolls, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tamors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also Syphilis or Venercal Diseases, Liver Complaints and Heart Diseases. Try AYER'S SARSAPARILLA, and see for yourself the sirprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Entract of Sarsaparilla for one doilar. Most of these have teen frauds upon the sick for they not only contain little, if any, Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat.
