It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYRE'S SARSAPARILLIA purges out these impurities; it expels disease and restores health and stimulates the organs of like into vigoreus action. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Ecrotula, or King's Evil, Tamors, Ulvers. Sores, Eruptions; Pimples, Blotches, Boils, St. Anthony's Fige. Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases. Try AYER'S SARSARABILLA, and see for surising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of Extract of Sarsaparilla for one dollar. Most of these have been frands upon the sick, for they not only contain little, if any, Sarsaparilla but often no curative ingredient whatever.—Hence, bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound, "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for helieving it has virtues which are irresistible fly the class of cheases it is intended to cure. We can assure the sick, that we offer them the best alterative we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered. upon bond and mortgage, and to prosecute inand Climbing Boses.
