Rev. J. T. BROWNELL, Pastor of the M. E. Church, received the highest plated and already begun. number of votes for the Silver Pitcher, at the Festival held at the Court House, on the 26th ult.

A beautiful China Tea Set was toted to Mrs. R. CEITTENDEN, (wife of Rev. R. Crittenden, S. S. Missionary,) at the Y M. C. A. Festival. The set brought the Association nearly one hundred dollars.

Judge MERCUR left for Washington last week, to be present at the special session of Congress, made necessary by the attempt of the Administration to prevent the proper execution of the re-construction measures.

A spirited but friendly contest was carried on between the Sons of Temperance and Good Templars, over an Ice Pitcher, at the Festival, on Thursday evening last. The former won the prize by ony two votes, out of 800 votes cast.

Four hundred and twenty eight dollars were received at the Festiva the benefit of the Baptist Church, held at the Court House on the 26th ult. We understand the church nett a clear profit of over \$300, the expenses of the Festival beand but a little over \$100.

The laying of the Corner Stone it the new M. E. Church at French town, with appropriate ceremonies, and an address by Rev. George Landon, will take place, providence permitting, on Saturday the 13th inst., at 2 o'clock p. m. All are respectfully invited to attend.

A Pic Nic was held in Fosters Sugar Bush, about two miles north of town, on the Fourth. There was quite a large number of persons present, and it would have been a pleasant gathering had not a few intoxicated individuals been present. The Sheshequin Brass Band, John McManon leader, was present and added much to the enjoyment of the assemblage.

A very serious accident occarred at East Troy on the 4th, by which Mr. M. D. Cass, of that place, came near losing his life. It appears he was driving a spirited thorse over a rough road, at a rapid speed, when a sudden jolt threw him to the ground, with such force as to render L.n. perfectly insensible. After running a tew rods, the horse stumbled and broke one of firs legs. Mr. C. was taken up for dead, but consciousness was restored after several hours, and at last accounts he was gain-

By an unastable accident, the balloon took fire, while the Professor was filling it, and in a moment it was all in flames.

The receipts of the Festival amounted to 3550. The profits will be enough to defray the expenses of the Association for the current year. Too much praise cannot be Litch to the success of the entertainment.

BURGLARY AND SAFE ROBBERY.-On Iriday night last the Internal Revenue Office in this village was entered by burghas, through a back window of Matson's Calanet Ware Rooms, and thence by a window opening out of the latter into the Revdust Office, the safe opened by a false key, and robbed of money, and stamps to the off the reader to the advertisement of Dr. wount of \$50.00, together with Silver M. DROWNED WHILE BATHING.—The North Branch (Tunkhannock) Democrat says: Thos. Boardman, aged about 21 years, son of Eleazer Boardman, of Eaton township, the other day. The fish was presented to was drowned in the river, a mile or two above this place, on Sunday last. The deceased, who, it is said, could not swim, was bantered by one of his companions, a young man by the name of Fuller, to wade across the river. Fuller, who could swim, led the way; Boardman, supposing him to be wading, followed on, until he got beyond his depth, when he strangled and went down. On rising he called for help. His companion, supposing him to be teigning danger, paid no attention to his cries but swam to the shore, where he arrived about the time young Boardman sank for the last time.-A boat was procured and search made for the body, which was not found until an hour more had elapsed, when it was too late for resuscitation.

> LANDSCAPE VIEWS .- The beautiful scenery in our own neighborhood has been hitherto too much neglected by the artists -lack of railroad facilities may have been the chief cause—we trust that this cause will soon be obviated by the new lines of steam travel in course of completionthere will then be a perfect rush of tourists to our beautiful neighborhood. Rev. Mr. DougLass, writing from Switzerland, says, in effect, that the scenery from Towarda to Wilkes-Barre, is fully equal in beauty and picturesque character, to any thing he has seen in that romantic country. The Hon. Lady MURBAY has expressed herself very highly on the landscape beauties of our county. The view of Towarda from the Durell Mountain met with her special ad-

CLEANSE THE BLOOD With over. It may burst out in Pimples, or Sores, or over. It may but st out if rimples, or sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYRE'S SARSAPARILLA purges out these impurities; it expels disease and restores health and etimulates the organs of life into vigorous action. Hence it rapidly purges out these impurities; it expels disease and restores health and stimulates the organs of life into vigorous action.
