OF MIDDLE PENNSYLVANIA, Office in Danville, Montour County, Pean s

The Farmers Mutual Fire Insurance Com-Middle Pennsylvania was incorporated by Pennsylvania Legislature, in the year 1550 the Mutual Insurance of Country property only, and immediately thereafter commenced its opertions on that principle, which has been strict ations on that principle, which has been effectly adhered to since.

All losses have been promptly paid out of the Premiums collected on application for insurance without making any assessments.

The losserance of Country proper, youly the low rates charged for insurance, and the prompt payment of losses are deemed a sufficient by the mendation of the Farmer's Mutual Fire from ance Company of Middle Penns Ivania, to owners of sale class country property.

HORSE HAY FORK Patented July 31, 1866.

DRAKE, SILE & BUDSON'S PATENT. The subscriber would respectfully call the attention of Farmers to the latest and greats-invention in the way of Horse Hay Forks and Cutters. This fork is lighter, cheaper, and better, more durable, and less, liable to break oget out of repair, than any one now offered to the public. It is proposed that the fork shiftstand upon its merits and is warranted to work perfectly and clock better, actialction than any perfectly and give better extistaction than any perfectly and give better extistaction than any fork in the world. It is caster work for the man who uses it, a they can manage it with ease and it is a first rate hay knife. It is a sate and a raticle, please look at it.

For sale by Codding & Russell, Towards, the L. Moody, Rome.
