REPUBLICAN DEMOCRATIC RECORD.

NUMBER 17.

THE DEMOCRATIC RECORD.

While the despot at Washington is plotting our country's ruin, in response to the appeals of the Democratic leaders, keep your eye upon their dark and terrible record, and remember—  
That they are responsible for the war which attempted the destruction of the Republic, not only because they supported John O. Breckinridge for President, but because they refused to employ the powers of the General Government under James Buchanan to enforce obedience to the laws.  
That they are responsible for the prolongation of the war, not only because they steadily sympathized with the traitor enemy, but because they resisted the draft, and pronounced the national currency unconstitutional.  
That if they had rallied as earnestly to the support of the Government as they rallied earnestly against it, the war would have ended in the first instead of the fourth year of its existence.  
That while they are predicting universal bankruptcy, and now claiming to be the friends of the public credit, let us not be forgotten that they never subscribed a dollar to the national loans, and never paused in their efforts to depreciate the national currency.  
That while they are asking the votes of the soldiers of the Union, keep it in eternal remembrance that in public and in private they denounced these brave men as hirelings, and never contributed by word or deed to the great charities organized and maintained for the benefit of the defenders of the Republic.  
That until they induced Andrew Johnson to turn upon his own record, to proscribe the purest patriots in the land, and to set his face against the brave soldiers who overthrew the rebellion, the national credit stood firm; but the demagogues and traitor counsels, his desperate hand was raised against the reconstruction policy of Congress, reviving business was instantly arrested, and our national currency began to depreciate.  
And finally, that if our debt and our taxation were treble what they are, the Copperhead leaders would be responsible for both, as the guilty associates of the traitors from first to last.
