Family, Serving Machines.

These Machines are superior to all others for family use, for the following reasons : They sew with two threads cleect from the

spools, and require no rewinding. They are more easily understood and used, and less liable to derangement, than other ma-

The structure of the seam is such, that, they it be cut or broken at intervals; of only a lew stitches, it will neither open, run, nor ravel, but remains firm and durable. Unlike other machines, these fastan both ands of the seam by their own operation. With these machines, while silk is used upon the right or face side of the seam, cotton may be used upon the other side without lessening the strength or durability of the seam. This can be done on no other machine, and is a great

can be done on no other machine, and is a great

These machines, in addition to their superior

merits as instruments for sewing, execute the most beautiful and permanent embroidery and

entertained the association with a pleasing this place. We understand that the rails are down to a point above Athens, and that and instructive address, subject "Habit." they will be laid to Waverly this week. A after the answering of the questions the second locomotive is already on the track, meeting adjourned till 81 Saturday mornĥīg. and cars are on their way from Pittston. Saburday a. m. -- The Association met pur

mant to adjournment. Miscellaneous busi-ATTEMPT AT ABSABSINATION .-- On MODness being in order, a committee was apday night last, as Mr. John Torrey was enpointed to sudit the scoounts of the Treesgaged with the accounts at the clerk's deak arer, which committee reported and the rein the office of the Pennsylvania Coal Comport was accepted. There are \$14 26 in the pany, a pistol ball came whizzing past his Treasury, On motion it was decided that head, having been fired from Church street, the next meeting of the Association be held through the window just east of the main at the Susq. Col. Inst., Towands, the secon entrance to the office. A large book with Friday and Saturday in February. heavy covers broke the force of the ball The following committee was appointed after it passed through the glass around the to make nomination of officers for the enclerk's desk. Mr. Torrey at the instant was suing year. O. J. Chubbuck, Albert Tracy, stooping down to put one of the books to S. F. Colt, Mrs. Knapp and Miss Binjamin its place, which circumstance evidently This committee reported the following list saved his life, for the range of the ball of candidates. would certainly have taken him in the head, had not his position been thus suddenly changed. We do not understand that sus picion rests upon any particular person, Mr. Torry is a stranger in Pittston as yet, and has had no opportunity by any business transactions to become the object of malice. We trust the guilty person may be anthorized to cast the vote of the Associa-tion by ballot for the persons associated by discovered and punished. - Pitteton Gazette.

the committee. They were accordingly STABBING AFFAIR .--- Mr Levi Conklin, elected. The following was offered by N who resides a short distance from this place, on Thursday evening last at Orane's Baloon, had a desperate fight with Thomas Riley a stone cutter working on the bridge abut-ments at the lower end of town. The dispu-tants went into the streets, and from words came to hlows. Riley was knocked down two or three times, and fraily was maliced down who resides a short distance from this place, two or three times, and finally ran yelling Mr. Salisbury," by invitation favored the murder at the top of his voice. At the close Association, with a humorous recitation of the affray is was accertained that Conklin Mr. Hookes, editor of the "Troy Gaussias" had a terrible gash in the arm just above the was invited to write a point for our write hand. Which had been inflicted by a very meeting. The resolution of Friday p. m.

the list. Meeting adjourned till 2 P. M. WANTED .- 500 bushels of Charcoal Afternoon. -- The Business Committee made Apply to S. N. Aspinwall, 19 partial report which was accepted. The first resolution was as follows. TOWANDA BRIDGE COMPANY -The

Towanda, Bunder Courtany — The Stockholders of this company are hereby notified that a meeting will be held at the First National Bank, Towanda, Wednesday January 1, 1868, between the hours of 1 and 3 p. m., for the election of a President, six Managers and a Treasurer, to serve the en-suing year. N. N. BETTS, JT. Resolved, That the wanton destruction of school property in this county is such that we feel impelled to call on School Directors, teachers and people to use all means in their power in its prevention. This resolution was discussed by Messr suing year. N. N. B Towauda, Nov. 28, 1867.

and less liable to derangement, than other ma-chines. They are capable of executing perfect, y. without change of adjustment, a much greater variety of work than other machines. The stitch made by these machines is much more firm, el atic, and durable, especially upon articles which require to be washed and ironed, than any other stitch. This stitch, owing to the manner in which the under thread is unwrought, is much the most plump and beautiful in use, and retains this plumpness and beauty, even upon articles frequently washed and ironed, until they are worn out. WARTED to act as Agents, a few persons of energy, either male or female in a light, honorable and profitable busi ness. Address with stamp, J. B., Bome Bradford county, Pa. Nov. 28-3t*
