and River street is nearly completed.

The Ice-bridge on the river has been in general use for some days. It is perfectly safe for the present.

The next term of Miss Osponne's select school will commence on Wednesday, Jan. 29, 1868.

are cordially invited to attend.

An"old fashioned snowstorm" which commenced on Friday morning, covered the earth with a fleecy mantle, to the depth of eighteen inches of snow, making the roads almost impassible.

To Travelers.—All persons traveling by railroad or otherwise, and wishing to insure themselves against accidents of all ter; just send them along, and we'll fixthem kinds, should apply to H. A. BURBANE, who will issue policies for a long or short period, at the very lowest rates, and in the best Ac- keep it before you. cidental Insurance companies to be found.

A NABBOW ESCAPE FROM DROWNING. ANNA SEARLE, daughter of JAMES SEARLE, and NETTIE, daughter of Robert Brice, were skating together on the River on Monday afternoon last, and thoughtlessly ventured on some thin ice. where the water was of considerable depth, and as a consequence, found themselves struggling in cold water; fortunately plenty of young men were close 1 at hand who helped them out with no worse 1 damage than wet clothes chilled bodies, and frightened looking faces. Girls should be careful to go only where the more experienced boys have proved the ice to be safe. -Piteston Gazette

A SHAMEFUL AFFAIR. - We have some particulars of an outrage in Ward township about ten days ago, involving the beating of a woman by her brother. Miss Rowena Rice married Mr. Isaac Comfort about Christmas time, much against the will of her brother George. A few days after, Mrs. Comfort went home for her clothes, which her brother refused to give up. She attempted to take them, when he knocked her down, and beat her so badly that she still remains in a critical condition. Such are the facts as vouched for by good authority .- Tioga Agitator.

FIRE AT RUMMERFIELD CREEK.—A destructive fire occurred at Rummerfield Creek. on Tuesday, 14th inst., destroying the tav ern, barn, blacksmith shop, and wagon shop, belonging to GEORGE W. SQUIRES, and the store house, belonging to ALEXANDER Enxis. The fire was first discovered in the wagon shop, communicating from that to the adjoining buildings. Mr. Sourara's loss is about \$6,000, on which there was an insurance of \$3,100.

The store house was valued at \$2,500, upon which there is no insurance.

Much credit is due to the citizens of that place, for their efforts to stop the spreading of the flames, and the save property. The and most of the goods from the store carried

A meeting of the "Band of Hope, " was held at Montanyes Hall on Saturday afternoon last. Nearly one hundred boys each wearing a Band of Hope Badge were in attendance. The exercises consissongs (in which the boys were assisted by the Ward House, keeps constantly on head.

A PPLICATION IN DIVORCE. A James D. Deud.—No. 57, Sept. term, 1867 You are hereby notified that Em ms J. Doud your wile, by her next friend. Bo bert Turner, has applied to the Court of Common Pleas of Bradford County, for a divorce from the bonds

er & Wilson Machine, and award it the highest premium. This has been the uniform award of this Machine throughout the country for several years, and we think no disinterested person will dispute its justice and property.

Class 2d includes the Shuttle or Lock-Sitch Machines for heavy manufacturing. FOR A TAVERN LICENSE.

Class 3d includes the Double Chain Stitch
Machines. The Grover & Baker Machine is
placed at the head of this class. The Committee objects to the attich made by this
machine, inasmuch as it consumes more
thread than any other stitch, and leaves a
ridge projecting from one side of the seam.
This, in the Committee's opinion, must
usually impair the durability of the seam,
and often the beauty of the garments or other articles so stitched, though some of the
machines making this stitch can be used
very successfully for embroidery purposes.
Class 4th includes the Ringle Thread,
Tambour or Chain Stitch Machines. The
tendency of the stitch to ravel, the CommitRelevant Towards boro.
