We invite all to examine them as well as the more common kinds of Portraits which we make; knowing full well that they will bear the closest inspection. This Gallery claims the highest reputation for good work of any in this section of country, and we are determined by a strict attention to business and the superior quality of our work, to not only retain but increase its very envisible reputation.

We keep constantly on hand the best variety of Frames and at lower prices than at any other astablishment.

I ENCE IN DENTISTRY.

J. S. Shith, M. D., would respectfully inform the inhabitants of Bradford County that he is permanently located in Towands, Pa., He would say that from his long and successful practice of TWENTY-FIVE YEARS duration he is familiar with all the different styles of work done in any and all Dental Establishments in city or country, and is better prepared than any other Dental operator in the vicinity to do work the best adapted to the many and different cases that present themselves oftentimes to the Dentist, as he understands the art of making his own artificial feeth, and has facilities for doing the same. To those requiring under sets of teeth he would call attention to his new kind of work which consists of porcelain for both plate and teeth, and forming a coatinnous gam. It is more durable, more natural in appearance, and much better sadapted to the gum than any other kind of work. Those in need of the same are invited to call and examine specimens. Teeth filled to last for years and oftentimes for life. Chloroform, Ether, and "Nitrons Oxide" administered with perfect safety, as over four hundred patients within the last iour years can teatify.
