standing of the causes, and a clear history of the events of the late lamentable war, Dr. WARNER, of New York, well known in this section as a popular Lecturer and a distinguished Physician and Surgeon, may be consulted at the Ward House, Towarda, Wednesday September 9. Probably no Physician in the country has more practice than Dr. WARNER in the treatment of Chronic Direase and in the more difficult forms of Surgical Operations.

His candid and truthful manner of dealing with his patients justly entitles him to the high reputation which he enjoys.

The Circus, on Saturday, called together an unusually large crowd of people. Barring a few slight scrimmages, no disturbances of the peace took place.
