A LL RIGHT FRUIT JARS.—THE BEET IN MARKET.—The reason why the ALL BREET Proit Jars are the best of any in the market: Ist. The rubber: packing that makes the joint, reter on a smooth isbolider which is blown in the mould instead of being ground down on the end, consequently there is so a icking out of g has in grinding to let the eff into the Jar, which is the came of so much fruit being spoiled. Ind, You will see the rab-ber is away from the fruit, whereas the ground shoulders or ends must secenarily bring one edge of the rubber in contact with the Fruit. Srd.
