Bradford Keparter.

Towanda, Thursday, Jan. 28, 1869. OUR RELATIONS WITH ENGLAND.

A despatch from London, of the the act of last year, but has been 15th inst., states that the treaty be- well considered but the legal talent of tween the United States and Great the State, and will undoubtedly pass. Britain for the settlement of the Alg. The act is exciting much attention. bama claims has been signed by Mr. and the Democrats will oppose it .--Johnson, the American Minister, and The substance of the bill is that the Earl Clarendon, the Foreign Secreta- election officers of Philadelphia shall of the ballot box. The select committee ry. This treaty is now on its way meet on the second Thursday preeedto this country, but a copy, or its ing the second Tuesday of October substance, received by telegraph.was and Presidential elections, continue communicated to the Senate at Wash- in session from ten in the morning to ington by the State Department. A seven in the evening each secular etter from Washington, making this day till the evening of the following announcement, says : "In the first Tuesday. Outside of Philadephia place the negotiations have resulted election officers shall meet on the in a complete and most unequivocal second Monday preceding the reguretraction by the English Govern- lar October and Presidential elections. ment from its original position ; and, and continue in session from nine to finally, every demand made by Mr. to seven o'clock of that and the fol-Seward has been acceeded to-in lowing day.

The revising board shall have due fact, every point that he claimed when this almost intermidable Alabama correspondence first commencrd has been gained, and the United States Government stands to-day in the position of victors in the greatest petition of fifty voters of the county, or five in the dsitrict, the Court may diplomatic struggle of the age." The following is given as an al

stract of the treaty :

"It embraces eight points or articles contested, the votes shall be rejected. the first of which provides that the A majority of the Return Judges may two governments hereby agree to the reject the returns. If there be fraudsettlement of all claims and differenulent naturalization in open Court, ccs which have arisen between them the naturalization code provides that since the convention of 1853, allacthe Prothonotary shall b deprived of counts were settled to that date. The office for negligence. All special Fecond provides that the purpose of this settlment a commission of four versons shall be appointed, to consist the Republican members. It is ari two to be appointed by each power. The third agrees that a majority of the commission shall decide the questions brought before it. The

fourth provides that, in case of a disagreement regarding any claim, the commission shall notify the two governments, and shall nominate an umvire, who shall not be qualified to act until the Senate of the United States has agreed to his nomination -or, in other words, ratified it. The fifth article contains some provisions regarding the time in which claims shall be considered by the umpires, and that if they disagree the question of disagreement shall be settled by lot, in the presence of the commission. The sixth article excludes all claims arising from cases which have been adjudicated by our courts of admiralty from the jurisdiction of

the commission. Article seven provides that claimants shall prove, first, that they are British subjects, and, second, that they preserve a strict neutrality during the war, and did not aid the rebels. Article eight provides that the commission shall

Tuesday, Jan. 19th. was a very hold its session in Washington." Two other important treaties have good day for making United States haps others. The same rule obtains in the English Courts, and also in' the District The House on Saturday had under conalso, been negotiated between Mr. Senators. There were six chosen then. sideration the bill, "To secure equal privi-Johnson and Lord Clarendon, which by five Legislatures, and notwith- leges and immunities to citizens of the Courts of the United States. The law has +ettle all points in dispute between standing the alleged disruption of United States, and to enforce the provisions been found to work well in most cases, and the two governments, and as far as the Republican party, with which of article fourteen of the amendments of among the best legal minds of the country to have already developed an amazthe Constitution." The first section pro- there seems to be a growing sentiment in now appears, on a basis perfectly the Democrats have been strengthen- vides, that no State shall abridge or deny favor of such a rule. A similar bill has satisfactory to our government and ing their courage for some eight or the right of any citizen of the United States been before the Legislature nearly every session for a number of years past, but ten years back, four of the six chos- to vote for electors of President and Vice Leople.
