gent public to the only Instruments we sell, and which are the only Plattos in this coun-try and Europe, with full Iron Frame, in which all the strings rest upon wooden bear-ings, and in which none of the turning pins THE HORSE -The thorough bred horse, Orange County, under the control of KINGS-BUBY & SOLOMON, Towands, is a horse of great merit. He certainly will make his mgs, and in which holes of the turning his go through the iron plate. The great ad-vantages gained by this arrangement are many : a more refined quality of tone, aweetness, great power, equality of tone, and of standing in tune better than any othmark should he live. His stride, strength, and powers of endurance are as perfect as well could be. He can trot under three and of statument now in use. Also are the thoughtful and economical buyers of Or-gans and Melodeons for home use, as well for Church and Sabbath School, respectful-ly invited to examine our instruments wich minutes without training. His sire, the Rysdyk Hambletonian, as sire of trotters, is far above all competitors in this or any past generation. If any one will look at the his-tory of the American Horse, he will discover or quality and quantity of tone are unsurthis trath : Dexter, his brother, is the king of the turf in this or any other nation. The W. DINTRICE & Co., as Chamberlain's Jewelry Store. service of this horse at the cost, or even \$100, would be in a money point of view more wise than the service of nine-tenths From the Utica Daily Observer, Sept. 15th. ] FIRST PREMIUM. —By reference to the list which we publish elsewhere, it will be seen that the Singer Sewing Machines (both famof the stock horses at no price at all. I consider the most of the stock horses are a damage to our country. "Some merito-rious" men are after little cost, and often ily and manufacturing) carry off the first premiums from the State Feir which closes get worse than nothing for the cost. To buy a thing worth four or five times the cost is the correct standpoint. A very few dol-

to day. It is worthy of, remark that those Machines are rarely seen at fairs, and the Singer Co. have not antered into the gener-al soramble for premiums which has char-acterized the past few years. The agent in lars sometimes closes the vision, judgment. nd understanding. There is nothing more beautiful or useul in the enimal kingdom than the majes-ic American Horse. Why not be as wise in the cultivation of the horse, as you would this city saw fit, however, to come out on this necession in force ; and notwithstanding the competition was sharp—the Wheeler & Wisum, farorer & Baker, do, do, joining in the contest-if was plain to be seen, in the cultivation of the horse, as you would be in the cultivation of your farm? All the scrub-oaks are rooted out, and all trees, vegetables, sceds, So, of true merit you cultivate. Is it sinful to beautify this earth when the practical tests were applied, that the "plumes" must be handed over to the Singer Machines: of ours with the most beautiful stock, fields WICKHAM'& BLACK, Ag'ts nicely arranged with the highest state of culture, the grounds around our quiet homes ornamented with the most beautiful flowers? Some men do not get above a hill o potatoes. The cultivation of the potato is all right ; to go no farther "is a low order." Some men are so sinful they disgrace the very
