GEARY'S MAJORITY 8,000 The returns from the State come in slowly, but enough have been received to ensure the election of Gov. GEARY by at least 8,000 majority. Philadelphia city gives him 4,000 majority. In this County there is considerable falling off from the usual majority. The State ticket will probably have 2.500 to 3,000 majority. Below we give a list of the townships as far as heard from. Owing to the desperate personal fight made upon Mr. Hinds, his majority will fall considerable behind that of the rest of
