There abounded. But he complains that was no explosion. All the women the present banking law diminishes and children were lost, nearly, if not all, being burned to death. The conduct of the officers and passengers is the power to furnish it in the hands said to have been heroic. Such an controlled by money-lenders of New the officers of the Belle Memphis, and were taken to St. Louis.

> A PASSENGER'S ACCOUNT-CAUSE O DISASTER. Mr. Phelps, a planter, of Shreve port, La., has arrived at St. Louis from the wreck of the steamer Stonewall, and furnishes the following brief particulars of the terrible disaster to that bont: The boat caught fire at 6:30 o'clock

Wednesday evening, at a point a little below Neely's Landing, and 125 miles below St. Louis, from a candle which rency for the transaction of business the deck passengers had placed near in all parts of the country. He would some hay while they were engaged playing cards. The Stonewall was run on a gravel bar, the pilot supposing that the passengers could wade ashore. Unfortunately at the cad of the bar there was a slough, and here millions of dollars. Instead of a limit was that the larger number were drowned. The boat was run on the ited number of national banks, he bar but two feet, and the shallowest would allow every one who wants to point about her had five or six feet of water. She had so much hay on for slavery; which has persistently er regulations. "Let our people," he board that she burned like tinder.

says, "once again be enabled to find were without avail. The Belle Mem-Judge Caton, Garrett Davis, of Ky., phis came up at 9;30 o'clock (three hours after the accident,) and renabroad—and then, from hour to hour dered all the assistance possible. Out there will be seen a growth of indi- of 252 passengers and crew only thirty are known to be saved. The last pronounced "the United States the seen of Captain Scott he was floating centre of the world, the Mississippi down stream on a log.

The people at Neely's Landing saw the precions metals must come into the light, and hastened to assist the unfortunate passengers. One man ley." rescued sixteen persons with a skiff.

Had it not been for their help all would have been lost. A gentleman from Paducah, Ky., swam ashore with fof the Democratic party of the United a lady on his back, and, at her en States; among them it enumerates the treaty, returned to save her child. While swimming ashore he was grasped by a drowning man, and was com save himself. One man was taken from the wreck, so badly burned that he died as soon as he reached the shore. Captain Dandy, of Shreves port, La., was saved. There were thirty-nine cabin passengers, and sixty of the crew. There were quite number of ladies on board, and all
