Bradford Reporter.

LOCAL AND GENERAL.

☞ Mr. and Mrs. DANIEL BARDWELL celebrated the fiftieth anniversary of their nuptials, in Tunkhannock, on the 6th inst.

☞ The Tunkhannock *Republican* says an old Indian doctor, named OSCEOLA, was drowned at Mahoopany the other day.

☞ The WOODWORTH SISTERS sang before a fashionable audience at the Court House Monday evening.

☞ If any of our readers happen to get a glimpse of the man who hasn't subscribed for the REPORTER, capture him and send us his name.

☞ Messrs. NEAL & HOLLON have commenced the erection of a depot for the Pa. & N.Y. R.R. in this place, to be completed in sixty days.

☞ The firm of WHEELER & WATTS, proprietors of the Elmira *Saturday Evening Review*, has been dissolved—Mr. WATTS retiring from the establishment.

☞ Our devil thinks the reason Indian summer was so short this season is that there are so few Indians left that they can't keep up a long one.

☞ When you get ready to start for town to do shopping, always look over the advertisements of the REPORTER, and then patronize men who advertise their business.

☞ A Union Thanksgiving service will be held this morning at 10½ o'clock in the Presbyterian church. Rev. S. J. LUSK, of the Baptist church, will preach the sermon.

☞ Lost, somewhere between my residence and Dr. KELLY'S office, a Deed from B. S. RUSSELL to HARRY MIX and JOHN D. MONTANYE. The finder will be liberally rewarded on returning it to me. E. B. DELONG.

☞ R. M. JOHNSON, Esq., of Chester, Pa., general agent for the New American Cyclopedia, who has been stopping in town for the past few days, has our thanks for a copy of APPLETON'S Illustrated Almanac for 1870.

ALMOST A FIRE.—On Monday afternoon last, fire was discovered issuing from under the range at the Elwell House. The flames were soon extinguished, without much damage being done.

☞ Constable SINSABAUGH, of Athens, brought to this place and lodged in jail on Monday last, quite a notorious character, named PETER" DOANE, and Mrs. CELIA HARFORD, charged with adultery.

LECTURE.—Rev. C. W. BENNETT will deliver a lecture at the Court House on Wednesday evening, 24th inst., for the benefit of the M.E. Church of this place. Subject—"Daguerreotypes of the Holy City." All are invited to attend.

☞ Rev. WM. MCGLATHERY, of Norristown, has taken temporary charge of the Episcopal church in this place. He preached two very excellent sermons on Sunday last. Thanksgiving services will be held in the church this morning, commencing at 10½ o'clock.

☞ DEAR SIR: I think it very strange that such a town as Towanda should allow coal trains to pass through its streets on the Sabbath. I think it is a disgrace to this community. Yours, AN OBSERVER.

Nov. 15, 1869.

☞ Don't be humbugged by travelling peddlers claiming to sell you smuggled goods; it is all humbug; all they want is your money, and you will never see them again. Look out. Go to first-class stores and you can buy the same goods for less money, and buy what you need.

GO AND DO LIKEWISE.—A subscriber in Burlington sends us the following note:

FRIEND ASCOND: Our little folks have taken a great liking to the REPORTER, and want you to do them a favor by sending a copy of same for one year to C. W. SMITH, Elizabeth City, North Carolina; for they think their sister would be so glad to hear from them through the REPORTER every week for a year—and here are their pennies.

☞ With the approaching winter, with its ice and snow and cold freezing weather, our hearts should thaw out and grow warm with the feeling that we are able and willing to help those who may suffer dreadful privations of warmth and food. There is more religion in giving to the poor than many are aware of. A generous heart and a liberal hand is worth every one.

☞ Our people generally will thank Mr. HARRY MIX for a new feature which he has just added to his green-house and flower gardens. He has just imported from France a large quantity of "immortal" bouquets, wreaths, &c., which are very beautiful. He also keeps a variety of natural flowers, and will make bouquets and wreaths for funerals or parties, on short notice.

☞ FIRE.—The large steam flouring mill of CROBAUGH, FULLER & Co., in this place, was destroyed by fire on Friday night last. The origin of the fire is unknown. The loss is estimated at $25,000, upon which there was an insurance of $14,500. We understand it is the intention of the proprietors to commence rebuilding at once.

Messrs. LONG & KELLER had a quantity of grain stored in the mill, and COOPER BROTHERS several hundred dollars' worth of malt.

☞ Rev. C. R. LANE, who, for the past 18 or 20 years has been the pastor of the Presbyterian church at this place, recently sent in his official board his resignation as such. The Presbytery, or other body having jurisdiction in the case, met here last week, and after discussion of the matter decided to accept his resignation. The cause of this resignation is said to be the failure of several influential members of this church to contribute with sufficient liberality towards his support.—*Wyoming Dem.*

☞ Look at the date on your paper, and if you are in arrears, this means you. We would once more respectfully call the attention of our subscribers, who have not paid for their paper, to the necessity of doing so at an early day. It is our intention to conduct the business of this office on a cash basis. The material requisite for getting out the paper, and the wages paid hands, is in cash, and we need enough at least to keep business going. Therefore, we solicit our subscribers to come up to the mark and aid us. The amount to each one, individually, is trifling, while the aggregate to us is very important. We must have money to pay our hands, and buy paper and coal, not to mention scores of other *etceteras*.

ALBA.—On Monday evening, when the express train from the north came in, about 11 o'clock, a suspicious young man got off from the train and went up into town. The next morning a small article of not much value was found missing from the depot, which created some suspicion that things had not been fairly dealt with there, and all eyes were on the lookout in town. On the next night (Tuesday) the same young man made his appearance in the crowd at the depot when the express train came in. He was watched by the police, and when many of the citizens had retired for the night he was seen entering the house of Mr. C. PALMER at a side door. Upon entering the house he was detected; and upon a full examination the next day, it was ascertained that he had stolen some of the valuables of the house, only the heart of Mr. PALMER'S beautiful young daughter; and upon a more full examination of the case, it was found that he was a respectable young mechanic of Towanda, in the person of EDWARD KELLER. The whole matter was amicably settled on Wednesday evening by his paying the fees of the dominie. ARMENUS.

SUSQUEHANNA COUNTY.—A Teachers' Institute will be held in Great Bend, commencing on Monday, the 22d inst. A. A. KENNEY, Superintendent of Bradford county, will be the distinguished educator we expected to be present.

—A Library and Reading Room Association has been organized in Montrose.

—JAMES BERRY, of Bridgewater, has a pair of Durham oxen which weigh 4,320 pounds and girt 7 feet 10 inches.

—JOHN WILLIAMS, of New Milford, found one of his horses with a leg broken in the stable the other morning. It is supposed he had been kicked by his mate. The animal was valued at $200.

☞ At a regular meeting of Canton Lodge, No. 261, I.O.O.F., held on the 6th of November, 1869, the following preamble and resolutions were unanimously adopted:

WHEREAS, Death has removed from our midst a much respected brother, CURTIS SPALDING, causing us to mourn that he has finished his earthly career, before our departure; and as we shall no more sit side by side in the lodge room, and, rejoicing, that at the feet of the Great Teacher, he will be taught wisdom infinitely greater than that of earth, recalling the endearing recollections of happy hours spent together, and as we would express our deep sympathy to the family circle of which he was the head, and also to the many friends who are called upon to mourn his loss, therefore

Resolved, That while we bow in humble submission to Him who doeth all things well, yet we deeply mourn the removal, by death, of one whose virtues so well citied happy hours spent

Resolved, That we hereby tender our sincere and heartfelt sympathy to the bereaved family circle whose affliction is our affliction, remembering, however, that our consolation is, that in passing through the valley and shadow of death, he feared no evil.

Resolved, That the members of this lodge will wear the usual badge of mourning thirty days.

Resolved, That a copy of these resolutions be published in the BRADFORD REPORTER and *Northern Tier Gazette*, and that a copy be presented to the family.

G. W. GRIFFIN, Sec'y.

ATHENS.—Friend "ALPHA BETA," in last REPORTER, gives a very exhaustive *diagnosis* of the peculiar heart disease that sometimes plays the mischief with our young folks. It is a very pleasant view of the case, but not fully truthful; for we would remind him that an occasional *ripple* comes in to mar the smooth sailing, and that his straight-jacket harmony is entirely too commonplace for *all* cases. There are, however, unmistakable signs for detecting the *divine flutters*, which we do not at present choose to give to the world.

We report two more weddings:

—On Wednesday, the 10th inst., Mr. ARTEMUS WELLER was married to Miss LIZZY FITZGERALD, both of this place; and Thursday, 11th, Mr. JOHN ELLIS, of Ellistown, to Miss JULIA OYERSHIRE, of this township.

And still others are coming.

Constable SINSABAUGH had another perilous night journey after a prisoner Saturday night, which he succeeded in capturing and leaving in care of the jailor in Towanda. "DICK" is sure fire after such cases, and is becoming a terror to evil doers.

Mr. MILO J. WELKER was thrown from his carriage, Tuesday evening, and collar bone broken.

We learn that other parties were interested in the counterfeiting operation with HUTTON, mentioned in my communication last week, and fully as guilty as he.

The lightning express was run off the track at Waverly, Monday evening of this week. Some desperate character broke the switch lock and turned it wrong, leaving the lights up to show "all right." By the new time table this train commenced to stop at Waverly that trip. Had they been passing at the rate of 45 miles an hour, as usual, another terrible accident and loss of life would have been recorded.

In our last week's communication we should have said the Catholic Fair takes place next *month* instead of next week. NIP.

☞ MR. EDITOR: S. M. BEECHER, who beats the beater, is now notified that he is beaten by a "regular dead beat," grown by the directors of a certain township in our county. Here is the "dead beat":

"Notice
"October 14 1869
"By order of the bord
"Of directors of ——
"Town of bradford co pa
"The schoolyard of school
"No one shall be closed
"Off Herick granted
"Shall not be used for
"No other purpos but
"For school"

The original, of which this is an exact copy, save the name of the township, was posted to notify a certain gentleman that he should remove some lumber from the school grounds of —— township.

This "dead beat" recalled a prayer learned in our school days:

"Lord of love,
Look down from above,
Upon our school directors."

Nov. 9, 1869. JOE.

NOTICE.—Dr. A. S. NYE will be at the Ward House for three days longer, to give everybody an opportunity to fit themselves with his beautiful Spectacles. He has fitted out hundreds in this town, and we can recommend him to all desiring his services, as an adept in his profession. Don't fail to see him, as he is sure to satisfy all.

☞ We owe our readers and Mr. E. J. CAMPBELL an apology for having neglected for several weeks past to call attention to the extensive and attractive stock of Boots and Shoes, which Mr. C. is now offering to the people who daily throng his store. If you want to see the largest and best selected assortment of Boots and Shoes you have ever looked upon, don't fail to call at the store lately occupied by R. W. EDDY, one door south of POWELL & Co.'s.

☞ How natural it is for everybody to buy where they can "get their money back!" Hence it is that the people all go to EMMONS' to buy their cigars and tobacco. His cigars are certainly the best the market affords for the money; as are also his grades of smoking and chewing tobacco; from the fact that he not only buys the best tobaccos, but knows how to keep that kind of goods in order—knows how to give you a good smoke and a good, moist, mellow chew for a little money.

DEMOREST'S MONTHLY.—A splendid Christmas number. This favorite periodical for ladies improves with every issue. Its reliable fashions, its numerous full-sized patterns, its admirable illustrations, and great variety of useful and interesting reading matter, render it by far the most desirable magazine of the day, and in fact indispensable to ladies living away from the metropolitan centers. It is also the cheapest magazine at $3 per annum, with a handsome premium, which, for a limited time, may, we see, be a large and magnificently engraved copy of LILLIE M. SPENCER'S "Fourth of July Pic-Nic."—A picture worth three times the cost of the magazine. Published at 838 Broadway, N.Y.

DEMOREST'S YOUNG AMERICA.—This sprightly juvenile is constantly improving. A new and most interesting feature consists of a beautiful chromo series of AUDUBON'S American birds, each separate picture of which is fit to frame, and together would form a charming set for a child's room. "Our Paris doll," accompanied by a letter to the little ones, by Mme. DEMOREST, is another great feature, not to speak of the special Christmas attractions and novelties, and a new story by the author of "Jack and Rosy." Altogether the December number ought to be good for ten thousand additional subscribers to *Young America*. $1.50 with a beautiful premium. Publication office, 838 Broadway, N.Y.

THE CENSUS.—The great decennial census of the United States will occur next year. Persons will be appointed for every locality in the States and townships to gather statistics of the inhabitants, and of all the agricultural productions, manufactures, etc. Each cultivator will be asked for a concise, accurate statement of land occupied by him, the number of acres and the amount of each crop raised during the year ending June 30th next. Those who were called on before will doubtless remember the difficulty in making up an accurate report of various crops. As those reports will be called for in June, it will be necessary to give in the crops gathered this fall, and the suggestion we would now make is, that cultivators write down, while fresh in mind, the number of acres of each kind, the amount per acre, and the gross amount. The milk product, also, and the amount of pork, beef, etc., will be asked for, as well as all kinds of fruit, etc.

BURTON.—Mr. DAVID GARRISON, of Bradford county, has purchased Mr. A. HOWARD'S property on Main Street, and Mr. I. A. GILLMAN, Grocer, will probably occupy it. This property is one of the most valuable and desirable on Main Street, containing ¾ of an acre, and has upon it a choice selection of fruit. Mr. GARRISON purchased at a bargain. We hope the rumor that he will remove to this county is founded in fact.—*Tuesday's Agitator.*

☞ The officers of LeRoy Lodge, No. 555, I.O.O.F., for the present term, are as follows:

W.C.T.—C. E. Signe, V.V.T.—Miss Ruby Lilley; W.S.—H. E. Andrus; W.A.S.—Lesly Stone; W.F.S.—M. E. Lilley; W.Treas.—H. H. Hickok; W.C.—A. T. Lilley; W.M.—J. Hickok; W.A.M.—Miss Phebe Stone; W.R.S.—Miss E. J. Holcomb; W.L.S.—Miss L. M. Stone; W.I. G.—Miss E. M. Andrus; W.O.G.—C. C. Hoagland; P.W.C.T.—F. B. Hickok; L.D.G.W.C.T. —A. T. Lilley.

☞ The numerous friends of Mrs. ANNA BROWER WILCOX (daughter of Maj. H. BROWER, formerly of the Ward House) will be pained to learn of her death. We find the following notice of the sad event in the Avon (N.Y.) *Journal*, of the 4th instant:

DEATH OF MRS. WILCOX.—We are inexpressibly pained to hear that death has again visited away a dear friend.—Mrs. E. B. WILCOX, daughter of Major RICHARD BROWER, of Hurtsville, died Tuesday, at 10 o'clock, a.m., of congestive fever. In the death of this most estimable lady, sorrow is carried to many hearts. Well may her attached husband, sisters and father feel anguish unutterable. Here where she endeared herself to young and old by her many amiable and admirable traits of character, she will be long missed and mourned.

"O change!—O wondrous change!
Burst are the prison bars.
This moment there, so low,
So agonised, and now
Beyond the stars!"

☞ The following card by a bereaved husband, is probably the most extraordinary composition of the kind on record: "Today red, to-morrow dead,' so it was with my wife, who only eight days ago was jumping over tables and chairs. Yesterday all that was mortal of her was interred. She was during her marriage a lively woman, with whom one had to mind one's P's and Q's; therefore my sorrow may be imagined. So young, so festive, and already buried! What is human life? said I repeatedly to myself all those days and again yesterday in the churchyard, when I paid the sexton, who will keep the grave in order. I shall certainly never find so cheerful a wife again; therefore my sorrow is just. I wish heaven may keep every one from so sad a fate, and I thank the gardener for the floral decorations, as also the choirmaster for the funeral chant, which went through and through me, but was very well performed, and CLONNEY & AMBERY for the perfect fitting and stylish hat furnished me for the occasion; and I take this occasion to recommend all my friends to buy their hats, caps and furs of them. Their store is in MERCUR'S new block, Towanda, Pa."

MILO J. WELKER was thrown from his carriage, Tuesday evening, and collar bone broken.

☞ If the endearments of home are, at any time, attractive, they are much more so, at this season, when the nights are long and the family altar is the scene of delight and enjoyment. Men that are not married know little of this world's happiness. They are a kind of outsider, looking on, but realizing nothing; living and acting a peculiar part, but having after all, but little of the existence. Home is attractive only to those who really constitute a part of it. The wife, the mother, the sister and the father belong to home. And the baby, too, where is it? Of all other members of the household, it is the most interesting and important. Black eyes, curly hair, dimpled chin, merry laugh, little finger pointing to what it wants; who does not like the baby? Take it away, and what is home without it? Follow its little coffin to the grave, and what do you suppose you have lost? An angel from the household—the only thing in your circle that never sinned. A home without a baby is a heaven without an angel. If we had none of our own we would borrow one from our neighbors. We would have one anyhow.

The best best thing to a nice baby in keeping things harmonious and lovely, is always to keep your wife's pantry well filled with groceries and provisions from the celebrated establishment of MCCABE & MIX. We've tried 'em both.

PIANOS, ORGANS AND MELODEONS.—It always gives us pleasure to call the attention of our readers to articles of real merit. In this connection, we advise our patrons who are about to purchase a Piano, Organ or Melodeon, to call at W. DITTRICH & Co.'s Music Store, at Towanda, before buying elsewhere, as the instruments sold by W. D. & Co. are really the only first-class in every respect. The Decker Brothers, Hallet & Cumston, and Conrad Myers' Pianos have now been before the public for twenty years and more. The Pelauboé & Co. and Shaninger Organs and Melodeons for sixteen years. All of them are known to be as near perfection as it is possible to make them, and are giving the most entire satisfaction to all who have used them. Our prices are low, and will sell Pianos from $290 to $1,500; Organs from $60 to $1,000; Melodeons from $75 to $300. Sheet Music, and Instruction Books for Pianos, Organs, Melodeons, and Violins, always on hand. To those who would like instruments from other makers not mentioned above, we say, give us your orders and you shall have them on short notice. Recollect, ladies and gentlemen, that Professor W. DITTRICH has had experience for over twenty years in the above business. Tuning and repairing done, if wanted.

Those who have waited so long for the celebrated "Briebmarken Polka," may have it now at our Store for 62 cents per copy. It is a good piece of music, besides having a collection of 42 foreign postage stamps printed on the outside. W. DITTRICH & CO.

It thus appears that in three years more than one-fourth of the aggregate cash capital of these Companies, was paid back to their stockholders. Of course, this money must have come from the Policy holders. Did it not? Why may they not be for the stockholders? But how about the policy-holders? Persons insuring should examine the workings of the OLD CONNECTICUT MUTUAL LIFE, of Hartford, if they desire to make a sure and cheap investment. It being the only Purely Mutual Company doing business here; and every cent of its earnings, over and above its actual expenses, go to the policy holders.

BLACKSMITHING!

Having completed my new brick shop, near my residence on Main-Street, I am now prepared to do work in all its branches. Particular attention paid to Mill Irons and edge tools. Having spent many years in this community, in this business, I trust will be a sufficient guarantee of my receiving a liberal amount of the public patronage.

CONSUMERS OF CONFECTIONERY!
COME,
LET US REASON TOGETHER!

How can any person manufacture Confectionery, and sell it at 12 cents a pound, when sugar is worth 16 cents at the Refinery. (unless it is terribly adulterated)?

How can any dealer retail such a vile compound to his customers and have a conscience void of offence?

How can any consumer expect to purchase pure Confectionery at twenty-five and thirty cents per pound when a pure article cannot be manufactured of cassia buds, burnt almonds, and such class of goods?

Within a few days we have been offered cassia buds, etc., for fifteen cents per pound, and Chocolate Creams at twenty cents, and the agent acknowledged that they were adulterated ten per cent, with Tiers Alba; and it is fact that tons of this cheap Confectionery are made and sold in this country every year, and the consumers are the only persons injured by it.

Now, for the benefit of those who wish a Pure article of Confectionery, we will warrant every article of our manufacture Strictly Pure and free from every ingredient deleterious to health.
