legion from France to Algeria, where they wi -Two children who mysteriously

disappeared from Manchester, N. H., 65 years ago, have just returned and made claim to the property of adeceased sunt.

-A negro boy stole a crying doll in Petersburg, Va., the other day. Hiding it under his cost, it "squaaked," and bleached him white with fear at the miraculous witness

-A young man in New London is playing a game of chess with a friend in St Jouis, the moves being communicated by mail The game has been in progress several weeks and is likely to last several weeks longer.

-The slave trade is still carried on for a club. There are now eight upon the east coast of Africa, in spile of the active efforts made to suppress it by British and thousand Republican voters in the American cruisers.

Mass., were lately fined in the aggregate \$133 for making themselves too odorous at the Lyce-um. They introduced a skunk during one of the debates.

-One lumber firm in Lowell, Mass., own 80,000 acres of land in New Hamp-shire and 12,000 acres on Beaver river, N. Y., where they are about to build a mill of 1,000,-100 feet capacity.

--It is hinted in the Buffalo Ex-American Stock Journal by which we press that some o the policemen of Buffalo take things at fires and stort such careful diligence over them that they can never be found. are enabled to offer this valuable ag-

-The sweetest word in our lanevery subscriber to the REPORTER, who guage is love. The greatest word in our lan-guage is God. The word expressing the short-est time is now. The three make the sweetest duty man can perform. pays the regular subscription price

-A Connecticut editor is going into the "interviewing" business to some pur-pose- He gives notice as follows: "We shall is-serview" a number of our citizens this wook on the subject of finance." This offer is to all, whether, old or new subscribers. The subscription price of the Journal is one dollar per

-During General Grant's admin istration so far, the debt has been decreased at the rate as some arithmetician calculates of three dollars and four cents per second, and nearly cleven thousand dollars per hour. subscription, or subscribe to the RE-

-A French writer has said that to dream gloriously, you must act gloriously when awake; and to bring angels down to hold converse with you in your slsep, you must labor in the cause of virtue during the day.

-The Deposit Courier of Saturday says: On Monday of this week a young man named! Atwell brought to town a wild cat of large size and fierce aspect. He was cought on or near what is called Alexandar Hill.

Washington to urge favorable legislation.

-A wealthy Spaniard has expended -A weating Diamart in his scholard in \$15,000 in digging in the yard of the Santa Clara nunnery at Havana, recently, for an im-mense amount of treasure said to have been buried there during the hast century. Thus far he has found nothing.

-The beet sugar business in Wisconsin is increasing. One factory in Fond u Lac is now turning out one thousand pounds of sugar daily, and the proprietors intend inext year to manufacture sugar from the produce of one hundred and sixty acres.

-Nantucket has gone backward within the last sixty years. Her period of greatest prosperity was from 1830 to 1840, when the town had a population of over 90,000, with over 800 versels. Now there are but 4300 persons in the town, and 1442 of these are over sixty years of age.

-American women tarrying in Berlin are taking part in a movement to encour-age woman's work. Last month the first con-ference of the "Society for Promoting and Aid-ing Female Industry" was held, and one hun-dred and fifty delegates, chiefly ladies, were present, six of whom were from America.

--- "Standing room only," is advertised at Cincinnati churches during th

-Only about 1,000 fighting men of the Apache Indians are left. Gen. Ord says the races is fast dying out. -The California Chinese are ship-

ping horned toads to China, to be used in the treatment of lung discases.

-Maine papers are discussing whether a sanday school in Bangor which re quires the constant presence of two policemen to preserve order is a success.

-The wine cellars of San Francis co are now stocked with more than a million gullons of wine, a large portion of which has been bottled, and is ready for use.

--A Masonic pound weighs sixteen ounces, and is at least evenly balanced.

-A young girl committed suicide

a sar Liverpool, England, recently because he sister, with whom she resided, refused to allow her to "butter" a piece of bread. accepted.

I Council have been adjourned until sums of money justly belonging to era opens, the boats will be of ten nis would vote in favor of the measafter Epiphany. Much opposition is the State, and also that the surplus times that tonnage. This will reduce ure I would not object. This year it after Epiphany. Much opposition is expected on the reassembling of the body, but his Holiness is said to be in the Treasury is to be applied to body, but his Holiness is said to be inquidating the State debt. With sure of the co-operation of the Amer-ican Bishops. The French Government has made known to the Ecumenical Council that infallibilisy is an inopportune that infallibilisy is an inopportune

that infallibilisy is an inopportune State finances the Republican party sary and feasible. Then a canal was negro should vote. The colored peoquestion from a religious view, and is demonstrating that it has at heart made from the Ohio river at Beaver ple of my town respect no one more politically places France otherwise the best interests of the people, and to the harbor of Erie, to be navigated than they do me, yet I am not a Re-

than according to the Concordat, and releases her from the obligations then accepted. The article to which we al-lude, shows what has been done by

Dec. 1, 1869.
