of some 150 acres, and costing his about \$3,000. He had a small sto of cattle, which was all his land wour carry; but he resolved to increathat stock by at least ten per cerper annum, and to so improye I land by cultivation, fertilizing, clovate, that it would amply carry the increase. Fifteen years later, he so out farm and stock, for \$45,000 amigrated to the West. I did not understand that he was a specially has worker, but only a good manage who kept his eyes wide open, nothing go to waste, and steadily divoted his energies and means to timprovement of his stock and I farm. Walking one day over the farm the late Prof. Mapes, he showed as field of rather less than ten acreand said: "I bought that field for \$2,400 year ago last September. There we then a light crop of corn on it, whithe seller reserved and took away. I under drained the field that Froblowed and sab soiled it, fertilized aliberally and planted it with cabbagand when these matured, I sold the for enough to pay for land, labor, a fertilizers altegether." The field was now worth far me than when he bought it, and he he cleared it within fifteen months from the date of its purchase. I consider that a good operation. Another yethe crop might have been poor, might have sold much lower, so hardly to pay for the labor's but the arc risks in other pursuits as well in farming. A fruit-farmer on the Huds above Newburg, showed me, the years since, a field of eight or the crop might have sold much lower, so hardly to pay for the labor, including picking, was less than \$300 I annum; but it cost something to mathis fiield, to bring it to this condition including the cost of his plants, a still there must have been a cle profit here of at least \$360 per acre I might multiply illustrations. I might multiply illustrations.	NEW-YORK PAPERS NEW-YORK PAPERS SCHOOL BOOKS SCHOOL BOOKS PENS, INE, MUSIC, STATIONEY AND PICTURES PENS, INE, MUSIC, STATIONEY AND PICTURES Towards, Nov. 19, 1868. of some 150 acres, and costing his about \$3,000. He had a small sto of cattle, which was all his land won carry; but he resolved to increathat stock by at least ten per cerper annum, and to so improve I land by cultivation, fertilizing, clow &c., that it would amply carry the increase. Fifteen years later, he so out farm and stock, for \$45,000 amigrated to the West. I did not uderstand that he was a specially ha worker, but only a good manage who kept his eyes wide open, nothing go to waste, and steadily cycled his energies and means to timprovement of his stock and I farm. Walking one day over the farm the late Prof. Mapes, he showed a field of rather less than ten acr and said: "I bought that field for \$2,400 year ago last September. There we then a light crop of corn on it, whithe seller reserved and took away. I under drained the field that Frolowed and sab soiled it, fertilized liberally and planted it with cabbag and when these matured, I sold the for enough to pay-for land, labor, a fertilizers altegether." The field was now worth far mothan when he bought it, and he heleared it within fifteen months for the date of its purchase. I consider that a good operation. Another ye the crop might have been poor, might have sold much lower, so hardly to pay for the labor but the arc risks in other pursuits as well in farming. A fruit-farmer on the Huds above Newburg, showed me, the years since, a field of eight or the arc risks in other pursuits as well in farming. A fruit-farmer on the Huds above Newburg, showed me, they was since, a field of eight or the arc risks in other pursuits as well in farming. A fruit-farmer on the Huds above Newburg, showed me, they was since, a field of eight or the arc risks in other pursuits as well in farming. A fruit-farmer on the Huds above Newburg, showed me, they was since, a field of eight or the arc in the had spent \$1,000 per acre under-draining, enriching and till this field, to bring it to this conditions; that shiftless farming do not the field that shiftless farmi	NEW-YORK PAPERS SCHOOL BOOKS SCHOOL BOOKS SCHOOL BOOKS PENS, INE, MUSIC, STATIONEY AND PICTURES BLANK BOOKS Towands, Nov. 19, 1868. of some 150 acres, and costing his about \$3,000. He had a small sto of cattle, which was all his land won carry; but he resolved to increathat stock by at least ten per cerper annum, and to so improve I hand by cultivation, fertilizing, clow &c, that it would amply carry the increase. Fifteen years later, he so out farm and stock, for \$45,000 amigrated to the West. I did not understand that he was a specially has worker, but only a good manage who kept his eyes wide open, nothing go to waste, and steadily divoted his energies and means to timprovement of his stock and I farm. Walking one day over the farm the late Prof. Mapes, he showed a field of rather less than 'ten acr and said: "I bought that field for \$2,400 year ago last September. There we then a light crop of corn on it, whithe seller reserved and took away. I under drained the field that Fr. plowed and sub soiled it, fertilized liberally and planted it with cabbag and when these matured, I sold the for enough to pay for land, labor, a fertilizers altegether." The field was now worth far me than when he bought it, and he heleared it within fifteen months from the date of its purchase. I consider that a good operation. Another ye the crop might have been poor, might have sold much lower, so hardly to pay for the labor but the are risks in other pursuits as well in farming. A fruit-farmer on the Huds above Newburg, showed me, the years since, a field of eight or the acres, which he had nicely set we Grapes, in rows ten feet apart, when he had pent \$1,000 per acre under-draining, enriching and tillithis field, to bring it to this conditioned including the cost of his plants, a still there must have been a cle profit here of at least \$360 per acre under-draining, enriching and tillithis field, to bring it to this conditioned in prospect for inching and tillithis field, to bring it to this conditioned a prospect for inching and tillithis field, to bring it make money farmed proposition, Good Farme actions a governed proposition, Good Farme of reward for	NEW-YORK PAPERS SCHOOL BOOKS SCHOOL BOOKS SCHOOL BOOKS PENS, INE, MUSIC, STATIONEY AND PICTURES PICTURES BLANK BOOKS Towands, Nov. 19, 1868.
