Rome, Jan. 29. 1870.—Some important news has transpired in reference to the business before the Ecumenical Conncil. A schedule comnunicated to the Council propose that the Council shall declare that the Pope, by virtue of his office as the Elected of the Church, is the absolute head of an Infallible Church: infallible as Chief Priest and Potentate, superior to and independent of all Eclesiastical Councils. The schedule confirms the divine right of all were adopted-yeas, 71; nays, none; Princes, and recognizes their royalty comes by the grace of God,

THE ECUMENICAL COUNCIL.

The Bishop of Savanah is said

have spoken as sestiments prote thely in the founceign Council as

The theory of universal suffrage political dogma is reprobated, and influence of the Church will be opposed to it as in conflict with the true theory of the headship of the Church and the Pontifical infallibility. The temporal power of the Pope as the Prince of the Roman State and an independent sovereign is recognized and defined.

No discussion will be allowed un on the report of the Commis charged with presenting and remod-eling the schedule. The members of the Council will merely vote "placit" "non placit," without debate.

Salnave, the President of Hayti was captured by the revolutionists tle market reporter of the N. Y Times and brought to Port-au-Prince on the is Miss Miny Morgan, a lady of Irish the 15th of January, where, after a birth, and about thirty-six years of brief trial before the revolutionary tribunal, he was pronounced guilty of high treason, devastation, &c., and good was noted for her admirable sentenced to be shot, which sentence equestrianism, being among the most was promptly carried into execution. daring riders at the chace. She went He had been the President for about to Italy a few years ago, and was three years, having been the successor commissioned by King Victor Emof Geffard, whose rule was also forcimanuel to purchase him some choice bly overthrown. Salnave was a man horses in Ireland, which she did so of great courage, and about 43 years of age. . He met death like a hero.her a valuable present. The Public Ledger Almanac for 1870, issued by Mr. Gronge W. CHILDS for gratuitons distribution among his subscribers, contains more valuable information and interesting statistics than any work of equal size that we have ever seen. We are much obliged to the publisher for the copy sent us, and no doubt such will be the feeling of every person who is BEST ANTERAICTE COALS fortunate enough to recive one. Mr. CHILDS announces that hereafter the "Public Ledger Almanac" will be issued yearly, which will be gratifying news to his 80,000 subscribers. If enterprise and merit controls the increase of his subscription list, 100,000 opies will be needed to furnish each ubscriber with an almanac for 1871

is as old as his candidature

THE MILDEST WINTER ON RECORD. It appears from records of the weath er for past years, that the warm weather of this winter was exceeded in January, 1790, when the average or medium temperature was 44 degrees. This is the mildest month of January ent rights to the Cubans. Mr. John on record. Fogs prevailed very much in the morning, but a hot sun soon dispersed them, and the mercury often ran up to 70 in the shade at midday. Boys were often seen swimming in the Delaware and Schuylkill rivers. There were frequent showers as in April, some of which were accompanied by thunder and lightning.

The Senate Postal Committee having agreed to report favorably to the passage of the bill to establish the Mediterranean and Oriental Steamship Company, there is every House bill appropriating \$8,000 for reason to believe it will pass both subsidy, and by its provisions the company is to carry the mails at the ocean rates of postage. This is a movement we can but commend, and one which, we feel, every person interested in the commercial prosperity of this country will assist in further-

DEATH OF GEORGE M. WHARTON.-GEORGE M. WHLRTON died at his late residence, in Philadelphia, on Saturday, after a protracted illness. Mr. Wharton was one of the most eminent members of the Philadelphia bar, and a most upright and estimable citizen. A wide circle of relatives. connections and friends sincerely mourn his death. His health had for several years been percentibly declining, so that his death was not unexpected. Still, its occurrence is profoundly regretted.

Ex-Judge WM STRONG, Phi'adelphia, and Joseph P. Bradley, of Newark, N. J., were nominated on Monday, by the President, for Justices of the Supreme Court of the United States.

We see thankful to surrendeners for their past liberal seawage and solicit a continuance of the same.

COWELL & MYER.

CONSUMERS OF CONFECTIONERY!

LET US REASON TOGETHER! How can any person manufacture Confectioners and sell it at 15 cents a pound, when sugar is worth16 cents at the Refinery, (unless it is territly subterrited?

How can any deafer retail such a nie compound it his customers and have a constraint of the constituent of the constitu oods?. Within a few days we have been offered cast: within a few days we have been offered caselouds, etc., for fifteen cents per pound, and choslate Creams at twenty cents, and the arent acknowledged that they were adulterated the per cent with Terro Alba; and it is fact that they of this they of Confectionery are made and sold in this country every year, and the consumers are the only persons injured by it.

Now, for the benefit of those who with a fure artist of Confectionery are will represent even matched one.

of Confectionery, we will warrant every article of our manufacture Strictly Pure and free from every ago dient deleterious to health. A. HART Store formerly ocupied by John Carman, Main Stort Towards, October 21, 1869. CENTRAL EXPRESS, We have extended our lines through to Wassel's N.Y., and are now prepared to receive and forward

money and merchandise, and collect notes, transchecks, &c., with despatch and at low rates. We run careful and experienced messeng through between Philadelphia and New York and Wa-. 49 SPECIAL RATES will be allowed regular ship pers of Butter and Eggs, and partisular attention

given their prompt delicery in Philadelphia and You EDW. E. PARK, Asst. Supt. General Office - 320 Chesinut St., Philadelp Li Sept. 23, 1869.
