gress, were profoundly affected by the unexpected event. Anson Burlingame was born in Nev Berlin, New York, on the 14th of November, 1822. While he was an infant his parents emigrated to Michigan then a Territory, where his father became engaged in furnishing supplies both Houses, printing, advertising, to the Indians, and where the son became familiar, as he grew up, with the Western settlers, and with the manners, customs and language of the Indians. He was a witness of solemn Indian Councils, and was present when treaties were formed with the Treasury and Internal Revenue, the Chippewas and other tribes. He received his education, which was by no means thorough, at an Academy in Detroit, and in a branch of the University of Michigan, graduating

before he was twenty-one. Having chosen the profession the law, Mr. Burlingame, in 1843, entered the Law School of Harvard.-Soon after, he chose Boston as his place of residence, where he com- spair. CONSUMERS OF CONFECTIONERY

JAPAN AND LEATHER PACKING, BELTING, LET US REASON TOGETHER rated? How can any dealer retail such a zile compound to his customers and have a conscience void of offence!

How can any consumer expect to purchase pure
Cenfectionery at twenty-five-and thirty cents per
pound when a pure article cannot be manufactured
leas than thirty to forty cents per pound, consisting
of cassia buds, burnt almonds, and such class of goods?

Within a few days we have been affered casse buds, etc., for affect cents per pound, and Chocelate Creams at twenty cents, and the agent schneeledged that they were adulterated ten, per cent, with Terra Alba; and it is fact that tone of this cheap Confectionery are made and sold in this country every year, and impured by it.

Now, for the brackt of their who wish a line article of Confectionery, we will several even existe for a of Confectionery, we will warrant corry article of ou manufacture Strictly Pure and free from every ingra dient deleterious to health.
