THE MYSTERIOUS WIDOW. A TALE OF THE WAL OF 1812.

During the summer of 1814, the British had not only laid claim to all that portion of the district of Maine lying east of the Penobscot, but Admiral Griffith and Sir John Sher Office at residence formerly occupied by Dr. Ely.

ang. 10, 1859, tr nor of Nova Scotia, had been sent with a heavy force to take possession, and occupied the town of Castine, which place commands the entrance to the Penobscot river. Shortly be-U. BEACH, M. D., Physician ron, Commodore Samuel Tucker had fore the arrival of the English squadbeen sent around to Penobscot Bay to protect the American coasters, and while the British sailed up to Cas-

On the morning of the 28th of August, a messenger was sent down from Belfast with the intelligence that the British frigate was coming from Casarge amount for their capture.

everything in readiness to get her off sire to meet the frigate.

aged woman from the vehicle. The lady's first inquiry was for Commo-

long, and where his parents will take "But, my good woman, I shan't go

to Wiscasset. I can easily find a boat there to take

"In the wagon," returned the la dy, at the same time raising the corner of her shawl to wipe away the gathered tears. "I have a sum of noney with me, and you shall be paid for the trouble.

"Tut, woman: if I accommodate you there won't be any pay about it." The kind-hearted Commodere was not the man to refuse a favor; and though he liked not the bother of taking the woman on board, yet he could not refuse. When he told her that he would do as she requested, she thanked him with tears in her

Some of the men were sent on the wharf to bring the body on board. A long buffalo robe was lifted off by the man who drove the wagon, and beneath lay a neat black coffin. Some words were passed by the men, as they were putting the coffin on board, which went to show very plainly that the affair did not exactly suit them. It may have been from prejudice on their part; but then, seamen should be allowed a little prejudice once in a while, when we consider the stern

realities they have to encounter. "Hush, my good men," said the to your parents? Come, hurry now. and the woman was taken into the

schooner was cleared from the whar and standing out from the bay. In the evening the lady passenge These wheels will be furnished. The cost of any other first-class tournated to perform all that Lose which will be made for intraces on short notice, of the cost of the popular Hotel having been thoroughly fitted and repaired, said furnished throughout with new and elegant Furniture, will be open for the reception of guests, on Sartadar, Mar I, 1869. Neither expense is can be seen in operation at a model hotel in all its arrangements. A superior that her husband's corpse was safe. This request was of course readily

the twine. "No," said Tucker, "only it was "And I think you know," he conswollen with tears."

"My eyes! but they shone, though, weuld have followed. I shouldn't have been noticed in the fuss—I'd Tucker smiled at the man's quaint boat, and you'd have been in the next scarnestness, and without further re-world in short order. And all I can

then went aft. There was something He proved to be one of the enemy's in her countenance that puzzled Carofficers, and was to have a heavy reter. He had been one of those who ward if he succeeded in destroying objected to the coffin's being brought on board, and hence was not predisposed to look favorably upon its owner. The woman's eye ran over the lewas told to remain until the vestigation. schooner's deck with a strange quick-ness, and Carter eyed her very sharp-ly. Soon she went to the taffrail and looked over at the starn boat, and the starboard bow; but when he

"Look out, or you'll jibe the boom," attered the woman. Carter started, and found that the mainsail was shivering. He gave the ed overboard."
helm a couple of spokes apart, and The old Com then cast his eyes again upon the wo- in Carter's eyes, and saw a twinkle of man, whose features were lighted by satisfaction gleaming there. He hesi-

'Ha! hold on—why, bless my soul! "Well, well—I can't blame them. there's a big spider right on your If the murderous villain's gone to hair. No—not there. Here—I'll—death, he's only met a fate he richly This last ejaculation Dan made as than that my noble crew were now he seemed to pull something from the woman's hair, which he threw up-

remarkable degree of eagerness in his manner, "is the 'oman turned but sin is a reproach to any people."

of the course."

am about the coffin, too. Wouldn't t be well for you and I to overhaul "Pshaw! you are as scared as a child in a graveyard." "No, not a bit. Just hark a bit. The 'oman ain't no 'oman."

"So I am, Commodore, and so I

The Commodore pronounced the name of his Satanic Majesty in the most emphatic manner. "It's the truth, Commodore-I can swear to it. I pretended there was a spider on her hair, and I rubbed my hand agin her face. By Sam Hyde, if it wasn't as rough and bearded as a holy stone! You see, she told me as how I'd let the boom jib if I didn't look out. I know'd there wasn't no

somebody to the wheel, and let's go and look at that coffin.' The Commodore was thunderstruck by what he heard, but with that cool resence of mind that made him what e was, he sat coolly thinking. In a few minutes he called one of the men aft to relieve Carter, and then he went down to look after his passenger who had turned in, and seemed o be sleeping. Tucker returned and took Carter to one side.

"No noise now, Carter; follow me s though nothing had happened." The two approached the main

hatch and stooped to raise it, when Dan's hand touched a small ball that seemed to have been pinned up after breaking of the hatch. "It's a ball of twine," said he

"Don't touch it, but run and get a lantern," replied Tucker. Carter sprang to obey, and when he had returned, a number of the of the Sheepscot, I will ask no more; men had gathered around the spot I can easily find a host there to take modore carefully picked up the ball of twine, and found that it was made fast to something below. He des-cended to the hold, and there he and looked with a haughty mien, found the twine ran beneath the lid "mud sills" and "greasy mechanics" of the coffin. He had no doubt in of the North. But how changed his his mind now, that there was mis-chief boxed below; and he sent Car-resentative of the Southern idea of ter for something that might answer making slavery the ruling element in for a screw-driver. The man soon returned with a stout knife, and the er in the attempt to establish a new

time keeping a bright lookout for the a full measure of the "reproach" string.
At length the screws were out, and the lid carefully lifted from its place. "Great Heavens!" burst from the lips of the Commodore.

" I know'd it!" uttered Dan. The two men stood for a moment and gazed into the coffin. There was of each.

the hatch that she might go down into the half of the

CHAIR. have got out of the way with the say is, that I'm sorry I didn't do it." It was with much difficulty that the hold, she looked about the deck the Commodore prevented his men of the schooner a few moments, and from killing the villain on the spot.

Whip. You are right; mules live to a lonely age; I have known them second, ten feet off.

then she came and stood by the pin- looked for the prisoner, he was gone.

"Carter, where's the villain I lashmore I can't tell. As near as I can ed here last night?" "I'm sure I don't know where he is, Commodore. Perhaps he's jump-The old Commodore looked sternly as I think best or otherwise.

SCRAP OF HISTORY-THE REBEL MASON. ndence of the Binghamton (N.Y) Republican.

WASRINGTON, D.C., March 1, 1870. "Righteousness exalteth a nation The manifest versification, in so many "I rather think so," said Tucker, ways, of this familiar old proverb, which has been handed down to us looking at the compass. Look out! which has been handed down to us from the highest authority, should you're two points to the southward lic and private life, to act from prin-"Blow me, so I am," said the man, bringing the helm smartly aport. "But say, didn't you notice anything peculiar about the old 'oman?"

"Why, Dan, you seem to be great-ly interested about her."

ciples of strict justice and integrity.

I was never more strongly reminded of its truth than to-day. Passing along one of the corridors of the Capiperiments made by two French doctors on the head of the particide Bellic interested about her."

Scientific Recheation.—The Cosperation of the Capiperiments made by two French doctors on the head of the particide Bellic interested about her."

trunks, and five small chests or boxes, all showing the marks of age, and upon each was pasted a card with the address "Hon. James M. Mason, New Alexandria, Virginia." Not having heard of him since his return from Europe after the collapse of the slaveholders' rebellion, my curiosity was somewhat excited to know something of the present status and continued the medical men within five minutes of the expression of the and I have wasted mine."

What an idle man that is yonder, fishing hour after hour! Truly a enemy. Slowly but steadily he swung melancholy spectacle, as stern old Dr. Johnson would say. "A line with a worm at one end and a fool at the perimentalists began by shouting in the ear the name of the condemned, but no contraction of the muscles of the family only expression."

The was no evidence, we are told pain turning so as to bring his tunks under the throat or jaw of the enemy. Slowly but steadily he swung around, suffering intense torture in the twisting given his unhappy worm at one end and a fool at the perimentalists began by shouting in the ear the name of the condemned, but no contraction of the muscles of the family only expression.

The was no evidence, we are told Dr. Johnson would say. "A line with a worm at one end and a fool at the other." Wrong again! That man this point, the pony suddenly released to recruit his weary brain in with their entire weight against each of the family only expression.

The was no evidence, we are the throat or jaw of the studer the throat or jaw of the sunder the throat or jaw of the enemy. Slowly but steadily he swung inclined, as the phrase is, to cut their sunder the throat or jaw of the enemy. Slowly but steadily he swung in the sunder the throat or jaw of the enem thing of the present status and condition of the man, who, next to Jefferson Davis perhaps, exerted more influence than any other of the Southern leaders in urging the people of The head even submitted to the cause of the condemnet, but no contraction of the muscles of caped to recruit his weary brain in with their entire weight against each the company of the kingfisher and other, and the unexpected release of the could staggered the heg, and ere he could staggered the heg, and ere he could and wholesome legislation do not we recover a well directed kick rolled for the most live in; the car. The two had been pulling the ear. The two had been pulling the caped to recruit his weary brain in with their entire weight against each the company of the kingfisher and other, and the unexpected release of the head even submitted to the car. ern leaders in urging the people of The head even submitted to the cauther such hours of idleness! Nay, the South into secession. Calling terization of an eye without blinking. In the South into secession. Calling the restauding the provisions began to flow in from all do not some of our best and kindliest he slowly recovered, and, rising to was ree, the staple bread and staff of upon the Superintendent of the Fold-ing-room, I learned that the packages above referred to contained books. oman there, and so I tried her. Call papers, etc., which had been stowed away in one of the rooms in the base ment of the capitol since the time Mr. Mason retired from the United States Senate as a representative of the State of Virginia, to assist in organizing the Southern Confederacy, and that they were now about being forwarded to him at his residence near Alexandria, within twelve miles of the capitol, by request of Senator Bayard, of Delaware. He will be remembered by every one familiar with the history of the late rebellion, as the man who, in company with John which seems to us a ghastly sort of Slidell, was captured on board an trifling. English vessel, bound for Europe whither they were going as the financial agents of the Jeff. Davis govern ment. It being decided, however that our government could not de tain them while sailing in an English vessel, they were again placed on board and allowed to proceed on their

way. For years this man Mason was eminently the leader of the Demcratic party in the Senate of the United States. A thorough pro-sla very aristocrat and one of the wealthiest of the southern oligarchy, he our government, and finally as a leadmarket gardener, and sells his vegetables in the Alexandria market, a

LITTLE PEET. In eastle halls, or cottage homes, Wherever guildless childhood roams, O, there is nothing half so sweet As busy tread of little feet.

When forth we go at early morn, To meet the world and brave its scorn, Adown the garden walk so neat, We see the prints of little feet. At eve, when homeward we repair, With aching limbs and brow of care. The voices ring out clear and sweet-Then comes the rush of little feet. The knives are lost, the dishes stray,

The tools are spirited away. And when we go the lost to seek, We take the trail of little feet. But when the angel death bath come And called the flow rets from our home Oppressive silence reigns complete: We miss the sound of little feet. Then tools are safe, no dishes stray, No doors go slamming all the day;

But O, 'twould give us pleasure sweet,

To hear again those noisy feet.

on this subject, for nothing is so deceitful as appearances. We all know that Penelope, that classical model of propriety and all the virtues, employed feed her time in weaving a garment by day, and unraveling it at night. She did this to keep off her lovers, who wanted to persuade her that her husband Ulysses was dead. When the suitors found her out, of course, they accused her of wasting time—but at that moment Ulysses knocked at the door, after seeing many men and cit-

ON WASTING TIME.

"Here you are, sir, wasting your valuable time—as they say to me," said Charles Dickens one morning, many years ago, as his little boy ran up to him on the Broadstairs sands, spade in hand. And we have often wondered since how many people there are who know what is meant by wasting time.

It is very easy to make mistakes on this subject, for nothing is so deon this subject, for nothing is so de- dy for him, and sent the hog rolling. very large bunch of moss in his mouth.

that moment Ulysses knocked at the door, after seeing many men and cities. In fact he had come home, and the fair Penelope had her reward after all, Surely it is waste of time for that Tough Dick kept his eye on and his the hole, and then resolved to await old tortoise to try and beat the nim-ble hare at racing, but the silly old ued for some time, and might have the issue. In about half an hour the for rething will crawl on, without stopping, at about the pace one gets down the Strand on a rainy day. Presently, best rat and mice exterminator is a well regulated Thomas cat; beware of base imitations sold by the respectable druggists.
