To Rejuvenate Old Grape Vines—e editor of the Practical Farmers: "Having on our premises inted by former owners, probably entry years, half a dozen old graphers with large weather-beater inks or stems, which made annual but little new wood and yielded to very few poor grapes, two seas ago we cut off the branches and the main stems down in trenches rering with about a foot of earth gorous and healthy shoots sprang in great abundance—the weathers of which were broken off and ding ones at proper distances ined to the arbor. The new with are now clean, healthy and ong—sufficient to entirely cover large arbor the present season look for bushels of fruit from the look for bushels of fruit from the weathers where, doing no good and ich could be made young and crifty by this process."  Cure for Founder—It has been served that a pint of sunflower seed xed in the food of a horse and give to him immediately on discover at he has been foundered, will give feet cure. This seems incredible to there can be no harm in giving a trial. All the cures and remedies discasses are only known by extrement.  The young lady who "was drive distraction" is now afraid she will have the seek.	EXAMINE SPECIMENS.  SENTFREE!  M.
