ought, all the powers Europe will have to make an effort to stop the conflict. The French journals have received orders to publish no information con-

cerning military movements.

The Catholics of the South Gernan States are reported to be opposd to Prussia. Eight Prussian officers have been eized in Strasbourg as spies. One hundred thousand volunteers

ave enrolled their names in Paris nd the Departments. BRUSSEIS, July 19.-France has ommunicated to the powers a notication that she has entered into reprocal engagements with Belgium d Holland, ensuring their neutrality. France is also in active negotiation with Russia to obtain her for-

mal promise of neutrality.

COUNTY POOR-HOUSE. Messes. Editors: We wish to make few remarks through the columns of the Reporter concerning a count poor-house becomes we think it t e a very important subject. We wish to speak to the tax-payers in particular about the matter and have them consider it before the coming election. You are nearly all aware that there are a great many poor great crowd of people in Berlin, who who come upon the town for support that might quite maintain themselves with which the Republican masses favor of the best interests of the dis-rally to free ent the humiliation and trict and the State at large. In the

their living, and the working Is this what we want? No: then in two wars, and perhaps a worse fate have them in it, so that each can do dispo awaited her now. He, however, what he can to maintain himself. It is nearly as much trouble and cost to see to and take care of the poor in a few townships in the usual way

poor in the county in a well conduct-As the country becomes older the more poor there will be to keep, (and sorry to say some townships have enough now) and the more we shall an and invigorate the It will cost a little to make a com mencement, but when that is made it ment is subn

will be by far the cheapest way to keep our poor. Let us be stirring Many manufacturers continue the and try to have established what we o much need. Now is the time to use what influence you can in favor of what will be a general benefit to the whole coun-We will be glad to hear from others who are interested in this

subject. A TAX-PAYER. The war news from Europe, has given an upward tendency to change of life. gold. It closed in New York on Tuesday, at 1221.

New Advertisments

ORPHANS' COURT SALE OF By virtue of an order issued out of the Orphani' Court of Bradford co., the understaned, administratix of the estate of W. MEANS WATTS, deceased, will expose at public sale on the premises in Morth Towanda, on SATURDAY, AUG. 27th, 1870, at 10°. clock p.m., the following described property, viz: A certain piece or parcel of land situate in North Towanda township, beginning at a corner, on west line of Alanson Lovelace, and north-cast corner of Badger's lot, thence along nerth line of Badger's lot south 00 deg. 30 min. west 84 per. to the public highway leading to Towanda borough, thence along the same morth 31 deg. west 37 2-10 per. to the southwest corner of James Foster's lot, thence along the same morth 61 deg. east 91 perches to the north-west corner of said Lovelace's lot, thence along the line of the same south 24°, deg. east 36 7-10 perches to the place of beginning. Containing 20 acres and 31 perches

acres around cleared.

In regard to the native population here, there are a very few of the real old southern "gentle-folks." A near neighbor a Mrs. Gregg, is a perfect lady, and although many of her family were in the rebel army, she does not seem to have the slightest ill-feeling towards northern men. She often speaks of the late war, but never enspeaks of the late war, but never ensurement was all perches.

Swiss Cantons and there then, the real added to the late of the late solious. ALSO—Adjoining the sadve and sa described as follows: On the main to the late of said described on the late of sai
