THE ETERNAL GOODNESS. BY JOHN O. WHITTIER. O friends, with whom my feet have trod The quiet aisles of prayer, Glad witness to your zeal for God

And love of men I bear, Litraco your line of argument: Your logic, linked and strong, (2) 17 I weigh as one who dreads dissent, And fears a doubt as wrong.

But still my human hands are weak To hold your iron creeds; Agninat the words yo bid me speak My heart within me pleads. Who fathoms the Eternal Truth?

The Lord is God! He needeth not The poor device of man. I walk with bare, hushed feet, the ground Ye tread with boldness shod;

Who talks of scheme and plan?

I dare not fix with mete and bound The love and power of God. Ye praise his justice; even such His pittying love I deem; Ye seek a king; I fain would touch

The robe that bath no seam. Ye see the curse which overbroods A world of pain and loss; I hear our Lord's beatitades And prayer upon the cross.

More than your schoolmen teach, within Myself, alas, I know: Too dark you cannot paint the sin, Too small the merit show.

I bow my forchead to the dust, I veil mine eyes for shame, And urge, with trembling self-distrust, A prayer without a claim. I see the wrong that round me lies,

I feel the guilt within; I hear, with groan and travail-cries, The world confess its sin: Yet, in the maddening maze of things, And tossed by storm and flood,

To one fixed stake my spirit clings; I know that God is good! Not mine to look when chernbin And saraphs may not see,

But nothing can be good in Him Which evil is in me. The wrong that pains my soul below

I dare not throne above: I know not of his hate—I know His goodness and his love! I dimly guess from the blessings known Of greater out of sight,

And, with the chastening Psalmist, own His judgments too are right. I long for household voices gone, For vanished smiles I long, But God hath led my dear ones on,

And He can do no wrong. I know not what the future hath Of marvel or surprise, Assured alone that life an His mercy underlies.

To bear an untried pam, The bruised reed He will not break, But strengthen and sustain. No offering of my own I have.

And if my heart and flesh are weak

Nor works my faith to prove; I can but give the gifts He gave, And plead His love for love. And so beside the Silent Sea

I wait the muffled our ; No harm from Him can come to me On ocean or on shore. I know not where His islands life

Their conded palsins in air: Lonly know that I cannot drift Beyond his love and care. O brothers! if my faith is vein,

If hopes like these betray, Pray for me that my feet may gain The sure and safer way. And thon, O Lord! by whom are eser Thy creatures as they be, Forgive me if too close I lean

My human heart on Thee!

Miscellaneous. THE MINISTER OF MONTOLAIR.

WAS ST. PAUL A BACHELOR?

It seems to be a pretty general impression, says a recent writer, that Paul was a bachelor, and thany la-

dies of the present day have formed an opinion of him which is decidedly

unfavorable. I believe, and purpose to show, that Paul was of "Woman's Rights." The Corinthian Church had written to him for directions upon the subject of matrimony in a time of great persecution, and, under the circumstances, he seems to think that for the time being the unmarried had better remain so. Eusebius, Clement, and other historians, speak of Paul as a married man, and according to the best historical evidence we can get, he was at the time of writing this epistle a widower. And thus he remained true to his dead, and admonished other men who had lost their wives to pursue a similar course. Is there any thing very objectionable in this advice? If there is a woman in America who is particularly anxious for her husband to marry again after her death, we should like to see her.
