Fifth Avenue, for the purpose of hearing one CARMANTA NEEDHAM'S Parlor Organs manipula Always on hand. was then a productive farm. . Towards the rivmother-wit stood very high. He re-sided in the Pei-chih-li province and Pifth Avenue, for the princes of hearing one of Cannarat Nazunars Parlor Organsmanipulat-ed by a celebrated composer and performer. It was, delightful treat to all present, for few were aware how vast a stride has been made towards bringing these charming instruments to perfection. Among the guests was an Eng-lish lady, who is well known in America and Europe as a writer of popular tales and sketch-es, but more particularly on this side of the water, as's poctess of distinction. Her name will probably suggest itself to our readers; for, perlaps, it would not be in good taste to intro-duce it in this connection. After listening, in almost breathless attention, through several ibrilling performances by the organist, M---, and being carried from pathes and sadness to a depth of solemity and grandern at the will of the player-sometimes swaying to and free to praceful measures of the music, and again seeming spell-bound by the organist, M---, as depth of solemity and grandern at the will of the player-sometimes standing strains which filled the lofty music-room-Madam B-- arcse from her seat, and approaching the organ, laid her hand on it careasingly, saying, as she did op. "Swoet singer, thy name should be *The Siter Tungue.*". Still later, in conversa-ition, the same lady declared that in all her travels, she had never listened to so charming an instrument. The host proclaimed his beau-tifth and incomparable parlor organ rechriston-ed, and promised that henceforth it should be mown only as "The Silver Tongue." When Measrs.Cannark & MEEDBAM, the manufacturers of the honor thus bestowed upon one of their strates and seature of the order of the instrument in question, are made avare of the honor thus bestowed upon one of their strates of the new the seature of the one of their of the honor the seature of the manufacturers to the seature of the instrument in question, are made avare of the honor thus bestowed upon one of their strates of the seature to VAN VALEENSUBD's house ; his daughter was working butter at the time. He inrust his hand into the bowl, and, as related to me, sneared his face with the butter. As her remonstrances only produced a repetition of the deed, she call-ed her failher. He promptly put the Indian out of doors. "The crisis had now come." Strats-the battle afterwards. The remained of the family as misoners went to Canada. ne The County Superintendent of a neighboring democratic county received the following letter from a female applicant for a school. It is strange that she did not receive her certificate :

her certificate: As the peopl are all waiting for me to com-mence school I will write a line and find out the reason you have not sent a certificate. They expected this school to commence to-day. If you ar agoing to send one I wish you would send it this week or send word so I can tell them let them get some one class if they can. The people of this place all of them wants I should teach school I went and so them all that her a poken to me shout it. Be sure and had not spoken to me about it. Be sure and let me know this week if possible.
