

as far as pain and increasing weak-ness allowed, were fixed on my family. Gradually I got accustomed to the danger which surrounded me, and only when too much and from the striking bullets was thrown upon my body, did I rembmber my little enviable position. \*\*\* At last, after long, long waiting, the mnitary

class of mandarins the writer enjoy-

it had never been used, for anything but rice. An examination of the measure simply showed that it was coated with rice dust. The magis-

the same flogging which they dis-pense with so liberal a handto those e BATTLE. There! a blow in the breast, a tearing in the body, a fall with a loud cry and terrible pain; there I lay, one of the victims of this theody day. My first sensation was sense to be a sense of the victime of How WOMEN ARE BIRCHED .--- It does at the blow, my second an expecta-tion of seeing myself explode, for judging by the sound of the ball, I believed I had a grenade in my body; then came the pain, and with it the helplessness and failing. Oh, how frightful are those first momenta! nt, the presiding priest himself; the shower of nhe dust following the dust (though large bodies are said to ove slowly) he reached bottom first id was instantly killed; while her is seven to have been broken by s, and the *intended* victim escaped hurt. How extricated, deponent is deponent expressions and attitude, when over-the pain and burning thirst had the is device to how of the inheritant bails in their own carriages, in all their in their own carriages, in all their gnery of satin and lace, to the police station, and, after being mounted on a man's shoulders, with their dresses taken, showing their forms, features, is and the base in the interval of the pain and burning thirst had the is been broken by taken, showing their forms features, is and the base by the pain and burning thirst had the is device the pain and burning thirst had the is been by the pain and burning thirst had the is been by the pain and burning the base is a several times as well as I could, for the pain and burning thirst had the is been by the pain and burning the base is the pain the pain and burning the pain and burning the pain the pain and burning the pain the pain and burning the pain the pain the pain and burning t inhurt. How extricated, deponent expressions and attitude, when over-aid not. I soon changed my route from the highway to the smooth hard sands if the beach, with the young Irish-ian for my guide. He informed me hat he had laid up nearly enough instant date, as a citizen of our Re-Night was at hand when I reached Night was at hand when I reached had let fall a coarse linen cover, in helmet, and immediately I felt a vio is true, it explains the woman's is e "Antrim Arms." at Port Rush : which were found fourteen bracelets, lent blow in the left arm. have the alphabet.
