LOCAL AND GENERAL

Help the Franklin boys by attending the grand concert.

Our Athens letter will appear next week.

Everybody should attend the grand concert, Tuesday eve, Dec. 20, for the benefit of the new steamer.

We publish on the outside of this paper, the names of those who have subscribed for the new steamer.

The Sullivan Free Press says that the Exchange Hotel has been closed for next of guests, and that the town is overrun with rats.

The new barn for the Ward House is nearly complete. It is built of stone and brick, and will have a fine roof. Mr. Ward deserves credit for putting up so substantial a building.

There will be a public meeting at Temperance Hall, Sunday, Dec. 15, at 10 o'clock, p.m. Some good speakers are expected, who will render the meeting of more than usual interest.

A match game of base ball was played on Sat. of Saturday, Dec. 10, between the Hornbrook nine and the "Fleetest" nine of North, resulting in a victory for the Hornbrook nine by a score of 10 to 11.

A gentleman in town who has taken the pains to investigate the matter, informs us that over thirty thousand dollars have been raised in this place during the year for charitable and public objects. Can any other town of our size beat it?

We hope the vacancy in the superintendency of the Pa. & N.Y. R.R. Co. will be filled by the prompt appointment of one who is a practical railroad man, and whose appointment would give universal satisfaction to the people along the line.

The prayer meeting of the Presbyterian church will be postponed until the evening of this week, in consequence of the concert and exhibition of the new organ on Thursday evening.

Rev. J. S. Stewart, if Providence permit, will preach Sabbath morning on the subject "Sacred Songs."

Rev. C. Adams in Massachusetts, where he was suddenly summoned last week to attend the funeral of his aged grandfather.

The "Cantata of Esther," to be presented by the Towns Musical Association at the next meeting, will be well attended. As the members of the Association have spent much time in preparing for this presentation, we trust that they may be attended by a full house.

The M.E. Church in Northville, which was built twenty years ago, will be enlarged and beautified this spring at an expense of \$1,200.

We had intended to publish the week of the "Book of Esther," but have been compelled to omit it for want of room. We therefore direct our readers to the oldest Book in the world, where they may find it under the title "The Book of Esther."

Rev. J. S. Stewart, of the Presbyterian church, in making his congregation contribute towards paying the debt of the church, has not only met the fact that the church had raised over ten thousand dollars during the past year for improvements and other benevolent purposes, but has also raised over one thousand dollars for the debt of the church.

At a regular meeting of Franklin Fire Company, No. 1, held Dec. 7, 1870, the following officers were elected for the ensuing year: Foreman—L. B. HUNTER; Assistant—E. J. CLAYTON; Second Assistant—J. L. LASSO; Secretary—P. W. COWELL; Treasurer—G. TAYLOR.

Another fire—About 3 o'clock Sunday morning last, our citizens were awakened by the cry of fire. The flames were discovered issuing from a barn owned by WARD A. O'NEILL, just south of Danvers' store. The barn contained four valuable horses, owned by WARD & HERRICK.

The new steamer for Franklin Bay Company arrived on Friday morning last, and after being thoroughly tested, was accepted by the committee. The steamer is the same size and capacity as the one purchased by Lincoln House Company a few months since. The manufacturers, Messrs. SUNDY & CO., find it necessary to drive their works to the fullest capacity in order to supply the demand for their machines, which are now considered the best steam engines manufactured. The two purchased in this place certainly give entire satisfaction, and are equal in every respect to the recommendations of the builders.

The sudden death of JOHN P. COLE, Superintendent of the Pa. & N.Y. R.R. Co., on Wednesday evening last, is a sad event. Mr. Cole died at his residence in this place, and was buried in the cemetery on Friday. Mr. Cole was a man of high standing in the community, and his death is a great loss to the railroad and to the city.
