MEN and BOYS BOOTS

combined with the universal schnowledgment of their clearness in vision and eves to the sys. shows plainly that they are superior to any other glasses in the market. The majority of Spectacles, (mostly imported) and no insiter how fine the frames, contain but a poor and worthless article of gissess, (ganerally cast or pressed.) they are made to be sold only, without any calculation respecting benefit to the sys. and therefore the great complaint of poor and weak night. Thousands are using glasses now which tim-and thigue the eye, where the objects get dim after about usage, or require an intensely strong light and thigue the eye, where the objects get dim after about usage, or require an intensely strong light and tharefore destroying the sight, which, were they properly sailed, would be preserved a life time. The advantages climed for the Concare Couver Crystal Glasses are the following : The Lenses are ground of the best material-pure and hard, and made only for optical purposes, they are therefore not lible to get extitched or dim. They confer a brillisney and distinctness of vision not found in any other glass. They can be used county well by day or candle light without tiring or faiguing the sys. They are ground or the philosophy of nature, and ahape of cornea of the eye, therefore assisting nature only instead of forcing it. That the lenses are contered correcting the frames. They can be used longer than any other glasses without changing to a higher power. The frames are made strong and durable by expe-rienced workmen and sarranted to give astisfaction. Rail-Roads The frames are made strong and durable by expe-rienced workmen and warranted to give satisfaction WM A. CHAMBERLIN, Dealer in Watches, Jeweiry and Silver Ware, Towan-da, Pa., has the sole Agency for these glasses in Bradiord county. No Pedlers employed. July 12, 1870-47

TAYLOR'S ELECTRIC OIL! This Oil has proven itself a medicine ensurposed in the cure of Bheumatic Jameness of any kind re-quiring an outward application. We defy the medi-cal world to bring a material better adapted to the alleviation of pain and lameness in Man or Beasi than is this medicine. It works upon the same prin-ciple as its nearest bin-Electricity ; and although, like all of our best medicines, it sometimes fails, yet the cases of failure are very rare. Bad are always complicated ones. It works like magic upon burna, frost-bites, sting of bees, and all esternal poisons. Every family should have it in cases of fresh cuts, brinises or sprains. It will not smart like most med-icines when applied to a n.w sere. It is no quack preparation, but is composed of nine of the best materials hnown to wateria medica, compounded up-on scientific principles. As a horse medicine it is taking the lead of anything in the martet. Buy it and try it. If you do not like it, return it and re-ceive your money back. For alle by all druggists and dealars in medicine. Price 50 cents per bottle. I. BEOWNING TATLOR. BOOMING TATLOR. D ISSOL UITION -- Notice in hereby Southern, and Grand Trunk Eshways at Buffalo.
