and examine the condition of all aritable, reformatory or correct-	racancies: They volunteered their services at a time when it was difficult to obtain persons properly qualified. The results proved the propriety of these appointments. Soon after they entered upon the performance of their duties, the disease was cradicated and the station restored to its usually healthy condition. Tome changes seem necessary for the proper Tonagement of the quarantine. In my opinion the Quarantine Master should by law be required to be a medical man, qualified to act as an assistant to the Lazaretto Physician, and to perform the duties of that officer, in case of his absence, sickness or death. Had this been the case when the late physician died, the necessity for calling assistance from without would have been obviated, and the sickness, suffering and mortality lessened. The salary of this officer, as well as that of the Lazaretto Physician,	All Machines have Blake's Patent Table	PROVISIONS,.	are This space belongs to E.
