Rev. WM. McGLATHEBY, Rector of Christ church, this place, has received a call to the Bectorship of the Episcopal church, Hagilaw. Michigan, at a stipend of \$2,000. His parshioners here would regret to have him soberit as he has proven himself a faithful worker in fic Master's vineyard, and is possessed of more than ordinary ability.

107 JOHN FEBGUSON, of Granville well known to most of our readers, was serious ly minted on Tuesday afternoon. He was on a hand-car, with several other men, coming to Troy, and when about two miles from town the (ar ran off the track, and Mr. FERGUSON was pitched off, and the thigh bone of his left log was broken just above the knee. Dr. B. W. Monsy was called in and gave the case immediate attention .- N. T. Gazelle.

KO. Messrs. DAY, HUDDELL & Co. have commenced shipping coal from the Sullivan mines, and expect in a few days to be able them, as they have shown by repeatedly ret to supply the large demand already made upon Notwithstanding the strike in the coal districts below, and the consequent rise in the price of fuel, Mr. SANDERSON, managing partner, has fixed the price at a figure allowing retailers to sell it at \$4,50 per ton. This generesty on the part of the firm should be apprecated by our citizens. The coal is sold at both

customers.

AMATEUR BURGLASS .- The Elmira Gazetle of Friday contains the following rich account of an adventure which happened to

nicrchant of that city :

Formigrly as a preparation for the austorities of Lent, the people were required to appear at the confessional on the Tuesday previous, con-fess their sins and receive absolution. There-fore this Tuesday grow to be called Shrove Tresday, from the Anglo-Sáxon word scrifting. Arriving there, they found their friends to confess, as on that day the masses were abri-ven of their sins. Through with this ceremo-ny, they might go their way and induly is in any amuschent until the unidnight bell, warned them that their gayety must be put faway-the penitential season had begun. He has a large quantity of well-seasoned lumber, and as a workman he has no superior. His workmen are all first-class. We have a deak in our office purchased from Mr. NEAL, the work o not think it can be beat.

Devices of the moon, as shown by the latest improved and largest telescopes, showing its mountains and valleys and broken matter, is worth alone twice the price of admittance. Would respectfully suggest that the services of Prof. L. and his spparatus be secured for the. Hering that "FIDELITT," "AN*OLD TEACHER," with many ceremonics. They also plucked to with many ceremonics. They also plucked to with many ceremonics. They also plucked to all ord of the manor," and his family, who had been attending a sociable in their neighborhood to beed, returned to their dwelling, which they had ieft but a few hours before, as they thought, securely locked up. Their supprise may be m-sgived upon discovering a light burning, and they begged money to defeat the expenses of his funeral, and as night came on buried him with many ceremonics. They also plucked to all orts of weap my beed returned to their dwelling, which they specific their hearthstone, and, armed with with many ceremonies. They also plucked to vaders of their hearthstone, and, armed with pieces a grotesquefigure, which they called in-terring the carnival. Playing at ball and throwing at creaks tied to stakes were among the principal annexements. of the people of England on this day. The orion the young onble surrendered. The mutual explanations
