Representative Buck returned

The business of this old and favorably known The dusiness of this old and favorably known bank is in the immediate charge of Hugh T. and Geo. W. Hennick, whose reputation as gentlement at the helm Warerly can boast of one of the safest and best conducted banking institutions in this section, and one that is a credit and profit alike to the owners, and to our fair and prosperous village.

WHAT A TRAVELER THINKS OF THE EBIE ROAD. - To the Editor of the Sun-Sir : The simple justice which ever characterizes your straightforward paper is not more apparent in anything than in its references to matters concerning the Eric Road. Having passed over a portion of its length recently, I took particular care to notice the manner in which officials and imployes discharged their duty, the condition of track and rolling stock, system of night signals, running regulations, &c., and I can only say, that all that human care and foresight can ecomplish to attain absolute safety, is done. I had no predilections for the road or any of its officers; but I must say I was charmed, and cannot now wonder that, with its bread guage, quick time, smooth track, and clegant coaches, April 18; at Moore's Hill, Tuesday it is rapidly becoming the favorite line, as the creased facilities required for passenger traf-15g. MV 2. D.G.W.P. J. H. Mensereau will fie plainly show. It is time that falsehood and hisrepresentation should be rebuked, and the stars of earth blooming in God's garden, and Millinery Goods ever brought to Towanda. truth known. Let the people know where their the dust-covered, weary mechanic wels in the wishes are consulted, and they will not be long in showing their appreciation of it.

Miscellaneous. THE KIRBY

Two Wheel Mower.

A TRIUMPHANT SUCCESS!

This new machine is up with the times and ahead of all competitors in several of its leading points.

It stands in the front rank among single movers, and is of novel design, and possesses new; and distinctive features which will commend theriselves to ITS LEADING FEATURES Are the following: A. jointed connecting rod, or pitman that allows the free play of the knife in any position of the cutting apparatus; tilting guards; no side draft; no weight on the horses' necks; the Tonçue can be used loose or rigid as may be desired and the change made instantaneously, without stopping:
The cutting spparatus, or finger-bar, can be raised to any angle to pass trees, stumps, or other obstructions, or folded over for transportation, or unfolded, by the sole use of the lever, without relieving the horses' necks of all weight.

It has many other valuable points too numerous to mentiou here. It is made of first-class materials, well made and finished in every part—rendering its describing the relief of the contribution of the c urability unquestioned.

Let It is light drafted, and is just the mower our armers have been looking for; and in destined to be the leading Mowing Machine, being adapted for

illy or level land, and all kinds of surface. Manufactured by D. M. OSBORNE & CO., AUBURN, N.Y.
