vessels, but no hotel. -There were 2,683 passengers from

abroad antived at Portland, Mo., during the thirst quarter of the year. More than hast were migrants. -The Stony Creek and Easton

Railroad has been furweyed five and a half miles from Lapsdale. Only \$20,000 -subscriptions -South Jersey has elected directers for the Elay's Landing and Egg Harbor City Railroad, seven miles long. The Camden and

pbwer? Atlantic will run it. -A Bostonian, returned from Cal-

iformin, says that he was as ravenous as a raven among the ravines, and sat down and gorgeous-ly gorged himself in one of the gorges.

-California imports cotton from Tahits for the Atlantic States, and buys Orleans for herown factories. The State product in 1872 is expected to more than meet consumption.

-The total property of the United States was #10.000,000,000 in 1870, against \$13, 000,000 000 in 1860. The increase for the decade was 25 per cent. spinist 75 per cent. sincrease is the precedingre But this covers a long war.

-The fare from Liverpool to Hong-Kong, via the Mediterranean and Suez, has been reduced from \$600 to \$550 cabin, and from \$225 to \$225 steerage. By the Union Pacific. Reduces the price is \$498 cabin, and \$154 steer-

-The New York Post says that stead of 160 acres in Dickinson counwhile John Morrisey was bailed for \$1,000 for keeping a ganilling house, the police won't dis-turh John Chamberlam, Twenty-fifth street, mear Breadway, who furnishes unoxceptionable lonches.

-The graduates of the University of Lewisburg, Pa., resident in New York met in in the Astor House Thursday night, and were addressed by the Rev. Dr. J. B. Loomis, the Rev. Mr. Davies, M. F. Baker, A. K. Gesler and D.E. Rue.

-The perfumery business of Londen chigages fifty firms, with 20 to 100 hands each. The annual production is \$6,000,000. patent for it from the Government, themse Paris had double as many before the war, em-ploying 3,500 hands altogether and producing about the same amount as London.

The spring clip of wool in Califormia is estimated at \$3,000,000, and the fall clip at \$2,000,000? The average price 25th ults was 334 per cent. over last year. The eastern dumand is so sharp that Pacific manufacturers this matter is, that he can take unler propose to import from Australia.

-Rockford, Ill., has had a convention that resolved to complete the Madison and Portage Bailroad, thirty-six miles long, to Steyens Point, seventy miles further, where it will uncet with the North Pacific. It will depend on the lumber trade at first.

+Louisville hails the construction to injuries the construction of a pork house 130,2205 feet, four stories, of stohe and brick, with railway tracks, and har-ing 2.509 hogs daily capacity. It will, when completed, use 30,000 cubic feet of stone, 700, with bricks and 750,000 feet of lumber.

-In three months of 1871 San Francisco imported 10,700,304 pounds of rice, 15,936,565 pounds of sugar, 2,766,106 pounds of coffee, and 883,742 of tea direct from the Pacific. They are good for herding or for Last year they, exported 15,000,000 peands of wool. The Central Pacific Railroad abuge runs common light service. Texas cattle 4 079 freight cars.

can be bought, one year old, at \$5 to -The San Francisco treasure ex- \$6; two years old, \$10 to \$12; three part from April 1 to 28 was \$1,355,140 09; pro-viously this years old, \$15 to \$20. They are gen-viously this years \$1,355,514, agrees ting \$5. 102.203 23; a decrease of \$7,453,304 64 compared with last year. The custom house receipts from - January I to April 28 were \$2,141,136 b, a decrease of \$7,453, and the State, but prairie grass is plenty, - January I to April 28 were \$2,141,136 b, a decrease of \$7,453, and the state of th crease of \$379,080 573 and they soon improve in condition;

-The receipts of beeves at New purchasers often double their money York last week werd 6,643, cows and calves 83, purchasors often double their money veals 5,763, sheep and lambs 19,814, and swine on them in a single year. Railroad 15,518, In the seven preceeding years the supply of beeves has been exceeded four times, of lands are selling from \$3 to \$7 per cows three times, veals never, sheep nover, acre.

-Property holders in Virginia and North Carolina have induced some northern men resident there to certify that there are not. The Border Raid Bill, passed by the Senate some time since, was decide that the privilege is worth a so many odtrages as have been reported. They legin to see that lawlessness has its penalty. As the discovery progresses the certificates will defeated in the House last week. certain sum more to, the United The Governor recommends the Legbe altogether true. -Nearly 36,000,000 passengers islature to take some action to induce the General Government to pay This commission will sit in Halifax. -A boquet of fresh flowers has the damages sustained by the citi-
