markable peaks, said to have been of many wild and varying legends. "Whose words cleft Eildon Hills in three, And bridled the Tweed with a curb of ston

I left the railway cars at Melrose Station. The principal object of interest at this point is, of course, the beautiful though partly ruined Abbey, of which Scott has given so admirable and well known a description. He is said, however, to have subsequently acknowledged in conversation with a friend, that for his own part, he had never seen Melrose by the pale moonlight." "But.

hood.

mon," continued he, "I know the effect must be fine!" On the occasion of her visit to the Abbey, Queen Victoria is said to have gathered some leaves of ivy from the you see his miniature, taken in childwalls, as a memorial of probably the finest architectural relic of its period within her domains. I followed her of later years—the tiny table knife llustrious example, but am indebted and spoon, and the little drinkingto Mr. W. Bunyan, of Granville, and cup, familiar tokens of his boyhood, a native of Melrose, for some later are also preserved; while in a glass and finer specimens. From Melrose I took my way on day attire—the last worn by him in foot to ABBOTSFORD, the former home home mantalways stringed root and blue cost of Sir Walter Scott. The distance is pantaloons, striped vest and blue coat about three miles along the Selkirk with metal buttons, shoes and drab Road, winding between the hedges gaiters and often commanding a view of the Tweed (once the national boundary), which is here a small stream with frequent bars and ripples. The coun-try often rises into hills of moderate elevation interspersed with woodlands, half concealing many pleasant ers most delicious to his ears, the genresidences, while occasionally is to the rippling of the Tweed over its pebbe discerned the lofty chimney of bles, was distinctly audible as we some manufactory, marking here as knelt around the bed, and his eldest sewhere the innovations of a more son kissed and closed his eyes." material utility upon the hallowed precincts of historic and poetical as- bers of curious antique weapons, sociations.
