without taking them out of the moves, and coins the citars that without taking the half without the framer says of it: "Find annexed Empraving Illustrates a very simple Instrument for Grinding the knives of a Mowing Machino. The Grinder is a cone of emery, and operates in the way of an ordinary breast drill, as shown in the engraving. The seast advantage claimed by the inventor is, that the knives can be ground without romoving them from the Cutter Bar, thereby saying much time. In case a knife is dulled or nicked, the Grinder can be applied at any point in the field, and in a few moments hie Cutter can be put in complete order. Any person: of ordinary judgment can quickly learn to use the Grinder, and not find it any harder work than to grind in any other manner."

Ayres' Patent American Grinder, chibited here by the American Grinder Co., is an instrument for juricelly sharpening mowing machine knives without the truble of detaching them. It is in the form of a hand drill, the solid Emery Cone, which is the sharpening scents, being revolved with rapidity and unerring accuracy. It is so simple that it use may be acquired in a moment's trial No farmer who hase a mower can shord to dispense with it.—Cimmittee on Farming Implements, at Mechanics' Fair. Systems, N. I., 1870.

DIRECTIORS.—Throw the mower ent of gear, move the knife bar, through the guards till one side of each section is in such position that it can be ground without striking the guards, get down on your right knee behind the ber, take the handle of section with point of emery cone and point of section with pose of large end of emery cone, moving menty cone back and forth over the section by means of swaying your body back and forward, in this way the whole face of the emery cone is used alike and is not worn in hollows. In grinding only a hier or back don't hold, the emery cone is used alike and is not worn in hollows. In grinding only a hier of the sect

R URQUHARTS CHOLERA CORDIAL

Gives prompt relief in all derangements of the stomach and Borola, such as Paus Sraus, Conc. Chousea Monnes, Chousea Invances or Sussian Coappaners, invantua, Tarentino, Dannoza, Drawsen, L. is pleasant to the taste, and in painful periodical female alliments, it is a coverign removed. Theresours which show the hous Reputation.

This may certify that I have long known Dr. G.
Urquinert of Willess Barre and believe, that I speak
the sentimout of all who know him, when I say that
all the relations of life, he is worthy of the respect
and confidence of the virtuous and the intelligent
people of our county.

Having derived much benefit from taking Dr. Er.
quhart's Cholers Cordial, I am free to recommend it
as a reliable preparation in cates of Distribute.

EIBA BURNETT.

From experience in the une of Dr. Urquhari's Cholera Cordial, I have no hesitation in saying it is the best remedy I have ever tried for Cholera Morbus, Cholic, and pain in the Stomach and Bowels.

SAMUEL HOYT.

I have need the Cholera Cordial for ten years. In a correct and a care a paid I feel intitled in a correct and the Cholera Cordial for ten years. In

WARFIELD'S This Sosp will wash all kinds of Clothing in Celd Water, either hard or soft, as any other sosp will by the old fashioned way of boiling, and warranted not to injure the cloth. Remember, no hot water and no boiling—quite a saving this hot weather. Try ft, and satisfy yourself.

junes, 71-2m. LISTRAY.—Came to the enclosure a dark BAY MARE; with a small white strip in the face. The owner can have her by coming forward proving property and paying charges.
