WOOD'S CAUTION.—I regret that it is again A Martin, of St. Louis is visit-CAUTION.—I regret that it is again necessary for me to caution the people in central Bradford against the many falsehoods circulated freely by some traveling nursery agents representing New York nurseries, about my apple and other trees. One Mr. Staats, in particular, represents that my apple trees "are lonsy," etc. All statements of the like are totally false. I need not caution the people against patronizing any agents representing Frost's Watkins (N. Y.) Nursery. The people in this county have dealt with said Frost's agents before and ought to know them by this we unite to urge upon its members the necessity of yielding obedience to physical laws, and exhert them to become temperate in their example, by abstaining from the use of all things injurious to bodily health, and invite them to a fation of effort to advance the temperance re-All Sizes, Styles and Colors, at aja.19'71 .
