LITTELL'S LIVING AGE.—"Year by year those who wish to keep themselves inform—

ed in the literature of the day, come more generally to recognize The Living Age as the best means for attaining that end within the reach of persons of moderate leisure." This is owing to the fact that The Living Age, being published in weekly numbers of sixty-four pages each, gives more than three thousand double-column octavo pages of reading matter yearly, and is thereby enabled to present with a satisfactory mpleteness, no here else attempted, whatever is of immediate interest or permanent value in the vast and generally inaccessible mass of foreign periodical literature—a literature embrac-

ing the productions of the ablest living writers every department, whether relating to history, biography, fiction, poetry, wit, science, poliics, theology, criticism or art. TOWANDA, PA., Who not only sell at the lowest cash prices, which cannot be undersold in Agent for the celebrated Heating the county, but who, from their long experience in the trade, are able to and do, keep a variety of goods of all kinds which is not equalled in this part of the State. It is their aim to sell goods that shall give satisfaction, and they have only to refer to their customers in the past as to what they will perform in the future. As the ordinary space of an advertisement would fail to enumerate the goods kept by them, whoever may wish to purchase should not fail to visit their store.

They have a great variety of Cooking and Heating Stoves, among which are the American, Morning Glory, Oriental, and many other patterns of Base Burners. They have a large lot of Merry Christmas Stoves at Reduced Prices, although the tendency of prices is decidedly upward. American Cook, Magic Shield, Tribune, Union, and many others.
