flowing in. The/drunkards would, water most excellent for drinking as professions and everybody, should be indeed, be all dead, and the swater earnest seekers after truth, in the would run out of the rivers, were the poisonous draught. Yes, the drunkbut few jewels, and when found, they ards will never be dead unless we can prevent sipping little boys and tippling larger boys from filling up the ranks of drinking young men who grow up into drunkards. And this merry soldier did not believe it could ever be done. He well knew if all the children and youth of the land could be enlisted in the cause of temperance, the drunkards would all die off with this generation, and intemperance with all its woes, would disappear. Many believe this can be done; at least, that by this method a vast amount of good can be effected.

THE ONLY WAY. - Jesus Christ changes the heart of the man whom He deigns to bring to God: He annihilates the moral distance between a holy God and a corrupt heart; first, by the precepts of His Word, and the motives He presents to induce us to progress of events, when the wisheslove God and despise the world; secof God, angels and prophets, are to ondly, by His example which he proposes to our imitation; thirdly, by His Spirit which mortifies the old man and forms the new man within us. No religion ever delivered precepts on the love of God so certain and complete as His; no one ever furnished motives so powerful to excite us to follow its laws: still further Upward, still upward, our motto should be, have any others been from giving a The standard of Truth for our noble life tree; perfect example for our direction. Jesus Christ alone has been able to How happy, how happy, if sheltered by Thee. N. P. M. impart a miraculous power to gain the hearts; that Holy Spiri' which A CONFIDING HUSBAND.-During the draws us to God, and forms the peculiar character of His religion; that trial of a case in Louisville last week, Spirit, the fruit of His merit and intercession, which he sent down imof course the attorneys objected.
