T is best made the day before want that the fat may be removed from Take six large ontons, six large ontons, six large or of celery, or less would answer; sweet potato or piece of pumpkin lump of sugar half the sixe of an e and a bunch of pot-herbs. Grate to carrots, slice the onions, and cut i other vegetables into very small pi es. Put into a stew pan a half pour of butter, set it on the fire and left melt; put into this the onions, them dry a little without burnit then put in the rest of the veget bles and other ingredients, moist ing them either with warm water broth to prevent their burning; a a little saft and Cayenne peppe cook till the vegetables are soft, p them through a sieve and add them the broth previously made, the soup is about the consistency very thick cream. Give all a boil together. After taking it off the fit two table-spoonsful of cream may added. This is most excellent so It may be made entirely a vegeta soup, by adding to the vegetal boiling water instead of broth.	tely       AND         LUMBER       WAGONS         Steps       Exps constantiy on hand.         ugh       Exps constantiy on hand.         ugh       F The best Eastern stock is used in the manufact of Wheels.
