The Senate French Arms C mittee have had two sessions for the put of proparing their report, but have come conclusion. It is now thought that them only be one report. A late Baltimore paper states the state of the set of th	 in June. The lists are as yet imported in June. The lists are as yet imported for the states received stand as follows: Missonri, no Federal ficial is a delegate; Kansas, but on and he is secretary of the State committee; Wisconsin one, and he chairman of the State committee; Wisconsin one, and he chairman of the State committee; Florida has two; South Carolin none; Connecticut, one, chairman the State committee; Massachuset none; Maine, none; Pennsylvan four. From the indications, i. probable that there will not be for per cent. of the Convention holdi Federal positions, and they will, nearly every case, be persons whold prominent places on the par committees of the several State Mr. CHANDLER, Secretary of the Missar. Committee at Philadelphia. Committee at Philadelphia. Committee at Philadelphia. Conta Committee at the following in a leading position in its expected at Philadelphia. 	"We wish we could represent to the Tribund how keenly we feel, with, we believe, nine- tenths of the Republicans of the country, that its course, for whatever reasons taken, is as un- necessary as it is embarrassing to the advocates of the principles of government, of which it has been so prominent and powerful a champion. The Republican party, as a party, is not cor- in rupt; nor is there occasion, in order to get rid of corrupt men who fasten themselves upon it to break down the party. Let us illustrate to the free occasion, in order to get rid of corrupt men who fasten themselves upon it to break down the party. Let us illustrate to the Kingdom of Heaven was likened to a mat who sowed good seed in his field but while the solved good seed in his field but while the solved good seed in his field but while ment to burn them, received, this memorable philosophic, Christianlike and may not als add statesmanliko-reply: " Nay: lext while who asked it they should ko out and gather them to burn them, received, this memorable philosophic, Christianlike and may not als add statesmanliko-reply: " Nay: lext while with them." We urge Mr. GREELEY to preach one of his old-time political sermon on this admirable text. "You never had the opportunity the colored citizens of Jacksonville, Illi nois, ex-Senator Yates said: "You never had the opportunity the cast your votes for the great emant cipator Abraham Lincoln but you wil have the glorious privilege of voting for the great commander who, at the head of our brave and galhant sol diers, carried out the decrees of the great Lincoln, and held up the flam ing symbol of emancipation to whole race of mankind—the great statesman now at the helm, an- whost successful from the beginnin of the Government to the presen	 at our column-head, in indicate which evil we as one of two millions Democrats, would prefer to endure. The contest is between two faction in of Radicalism. Our opinions, convictions,hope and wishes will have no representativo in either wing, on either ticket. But we belong to a party powerless to save-unable to carry a single State in the North-cap ble of counting every trophy it can hope for, of the fingers of one hand: Missouri, Kentuck: Tennessee, Virginia, Maryland, and the little three county truck-path of Delaware. That all Not another in the range of possibilities The mere liberal, honess and decate portion of the liadical party, recognizing the dangers of the hour, trembling for the fate of half the world, offer to aid us, to lead us out of the Egypt of bondage. And as for us, to save or country and people from damnation, we're willing to strike hands with any being, human, as gelic or infernal-we're ready, if need be, stand by the Devil, on a platform of coagulatik hells-seam. Patriots! Lovers of Liberty Would-be saviors of your native land! Pall in This is the Character of the opposition from which Schurz, Trumball, and Greely hope draw strength. Does any loyal man belier to shadowa, can advance the intorests of the 'man'. Yet this is the element of political power that seeks to arrest the government from the hand- that now control it. THE BINGHAMTON, CHOCONUT, WY ALUSING, DUSHORE AND WIL-LIAMSPORT R.R. PROJECT.
