MANUFACTURERS AGENT. THE CINCINNATI TICKET. to The soldiers who underwent Wedare always headquarter -A Boston druggist states that No information had been communicated to the Treasury, or auditing departments, that any large amount of money had been collected by Evans, until it was developed in August, 1971, that he held some \$220,000. No report of this was filed; but attention was attracted to it by the final settlement at Washington. Evans being called upon to pay over, gave a check for the sum of \$30,000, acreed upon a check for the sum of \$30,000 acreed upon a to retain the balance, \$201,000, as his commission of the per cent upon his collections. Of this commission, \$200,000 acreed upon a higudation of an account stated between the State officials claumed that no commission could accrue. The State authorities demanded that the entire amount of money in the hands of Exams should be paid into the Treasury, and that the question of his compensation should subsequently be judicially ascertained.
