Particular scalery by him was providential, as usually are substituded and the roof robbed of its only as in other machines. It is one of the most popular Machines where it is known ever placed before the public, it pleases everybody. All admire it whenever seen. People that have them are so delighted with them they are writing to friends to buy this machine if any, for it will do anything that any will, and runs so easy and requires no trouble to learn to run it. The astonishing fact that since January, 1872, having received all the latest improvements, 4 months, the company have sold nearly 30,000 Machines, with so few agents and small thritory canvassed, shows conclusively that it has no parallel and that our people are an intelligent people. I have been desirous for a few years to get the agency of a Sewing Machine that I could sell and recommend without exagerating the truth or deceiving any one, and my time has come. I have been confined indoors so long I feel like a caged bird that wants liberty. And now friends, all that want to buy a Sewing Machine, no matter if your mind has been set upon some other, be so kind as to inform me by letter, or otherwise, and I will cheerfully bring you a Domestic, and you may try it for a week, and if it does not please you, and you are not satisfied it is the best, all things considered, I will thank you for your trouble and cheerfully take it way. But it seems as though I almost hear you say, "I cannot part with it, the Domestic Circle is not full without it." Terms libers!. Towarda, Bradford county, Ps.
