newspaper, has shown him utterly wanting in business capacity. As an editor he lacked a balance

than the Senate has to do with deciding how many vegetables the President has on his table. Senator Conkling next came

the charge of appointing relatives to office, saying the rulful reformers themselves will not bear examination Lincoln were read to show how he incited secession by expressing a willingness to let the South leave on this point. Schurz pressed his brother-in-law upon the President, and obtained for him a lucrative office, and when Trumbull caused his removal upon statements impeaching his fitness, Schurz raged against the President for removing him. Trumbull, it' seems, procured ap-pointments for his brother-in-law, battle, said Senator Conkling, Greesons and nephows, and broke, it is ley imputed treason to Gen. Scott, said, with the President because he and after the defeat he coddled up to refused to appoint Trumbull's son to Scott, whom he tried to dishonor. office. Three brothers-in-law, a nephw, and a son in office did not salison his guard. This is noticeable in Tipton's liberal inclinations, but the Niagara Falls affair. Greeley he vigorously plied the President the Niagara Falls anair. Greeley and Secre ary of State to give a value able consulate to another son, and sion might have been avoided; he frequently avowed that the refusal had been for battle when the time was not come; he had been for war in Chuzzlewit. and peace when each in turn was Through all t was the cause of his opposition. Fen-

BEVEN HUNDERD MILES OF FOOT A STATE OF

BY PROF. J. D. BUTLER.

Lancoln, March 25th, 1872. Mils Nysten is a Swede-and was born where his fathers, even to the years of many generations, had been content with " only this and nothing more"---

"To draw antrition, propagate, and rot," He aspired higher, but so low was his birth, and so strong the bar-riers around him, that he was three-score years old before he could work his passage to America. Two years ago he reached Iows with his wife, and penniless stopped first in Mount Pleasant.

While working there at his trade and not possessed of practical wis-dom, moderation or business capacity to make a useful or safe official | vinced that his best means of further lis affiliations with men show him advancement was to secure a Nebrasto be a poor judge of human nature. Its Homestead without delay. His The worst men have stuck to him mode of making this being his own,

HOW HE DID IT!

He walked from his home to Lin-As an editor he lacked a balance wheel to keep him from inconsisten-cies. His investments of money, his ventures with Tweed, and lending his name to men unworthy of trust evinced unsound judgment. The epi-thets and libels with which he pur-sues those he hates or envies show a strangely unchristian and unbridled nature. Truthful history will never strangely unchristian and unbridied nature. Truthful history will never record that Horace Greeley owed the Republican party nothing, but the verdict will be, he spoke like a scheming ingrate when he said : "I not the verdict will be the spoke like a scheming ingrate when he said : "I am perfectly willing to pass receipts with the Republican party and say our accounts are now settled and of all those still vacant, he returned closed." Mr. Conkling next came to Mr. Greeley's record, saying all his deeds are to be found in words. Extracts from the *Tribune* after the first elec-tion and prior to the inauguration of Lincoln were read to show how he
