other that is not true. Is Greeley, time, a safe man in other respects? I would like to see if there is one single question that has ever been before the country upon which Mr. Greeley has not taken both sides. If you can I wish you would do it. I made the same proposition the other day in a speech, and some one called out "the tariff." Strange to say, does Mr. Greeley advocate the teriff to-day. Gentlemen, your platform refers the question, to the school districts. [Laughter]. Fou call them the Questions. [Laughter]. Fou call them the Questions. [Laughter]. He is willing to take everyside, just as he is on everything cless. I think Mr. Greeley is an honest man; I have no accusations to make against him. I only deal with public records; but I do say that he runs in curious tracks, not sufficiently straight for him to make a good President. [Cheers].

and we can recommend it as the BEST PLASTER SOWER IN THE MARKER Its advantages over all others are many, but a SOWING PLASTER, LIME, ASHES, BONE DUST AND OTHER FERTILIZERS. The Distributing device is so arranged as to entually crush all humps; thereby insuring an exdistribution of Plaster, even when full of hard delumps. IT SOWS EQUALLY WELL ALL KINDS OF GRAIN AND GRASS SEEDS. Such as Wheat, Rye, Oats, Barley, Buckwheat, Cor. Flax seed, Timothy, Clover and other Grass seed. The Seeding-Box is hung under the axic, near aground, and can be USED IN A STRONG WIND WITHOUT SCALE
