The northeastern range of counties in Pennsylvania, having never had a member of the Supreme Court, should have a local pride in swelling the good chance for Judge MERCUR. The northwestern corner had the office for fifteen years, in the person of Judge Thompson, who is now so old as to be notoriously unfit for re-election for a term cov ering fifteen years. Think how often Courts are harassed—business delayed-and decisions unsettledby an old Judge, once well qualified, but who will(as Jefferson said) "neither die nor resign." MERCUR is in the prime of life, and would henor the bench and his constituency. Every lawyer should vote for him—and so should every man who thinks it possible he may have a case that will go to the Supreme Court, or who desires to have he laws justly administrated
