Lord Byron and other English poets and painters, who have come here from their own dull and inani- mate skies and murky sunsets, have given birth to this delusion. They have never seen a sunset on the Si- erra Nevada Mountains, or on the coast of the Pacific, or even in our Southern and Middle States. The rays of the sun linger on the clouds after it has sunk beneath the horizon, perhaps longer here than with us, but I have seen as brilliant sunsets
