"What is called the "funer of Pere HYACINTHE has already tak place. It is a custom among Rom Catholic religious communities consider any member that dese them as dead, and the ceremony burying him is performed. The was recently done at the convent Dominicans to which M. HYACINT Loyson belonged. A coffin was p ced in the middle of the chapel, a the customary burial service char ed.	at the memories of its great lights in governmental affairs and in science and art. It also suggests that stat ues be erected in the same ground to HAMILTON and CLINTON. The idea is a good one and should be acted on. It is amusing to see how anxious the Republicans in the West ern States are to have SCHURZ fill hi engagements to speak therein.
