LOCAL OFTION VOTE.

The vote on Local Option through

out the State shows a wide diversity

of public opinion. and an unexpect

edly large majority for license. The

mining counties and the districts

where the German element prevails

have voted heavily for license, whilst

the agricultural counties have de

clared quite as strongly against li-

cense. In the cities license carries by

large majorities. The result is, that

a portion of the counties in the State

having voted against the granting of

license, no liquor can be legally sold,

unless the law is altered or repealed

for the next three years. This coun-

ty, is one which has thus declared

and the action of the voters having

now the legal Sanction of the highest

judicial tribunal of the State, it is

the duty of all good citizens to sub-

mit to that dicision. and to respect

and obey the law. More than this,

it is equally the duty of every good

citizen to aid in the enforcement of

the laws, whatever may be his opin-

ion of the propriety and necessity

for those enactments, as the only

sure means by which the peace and

welfare of the community and the

security of the citizen can be main-

The evils of intemperance are too

apparent to be questioned. Wheth-

er or not, they can be lessened by

legislative enactments, is a matter

about which there is more difference

of opinion. The vote of the people

of this county will give an opportu-

nity, in a limited sense, to test the

question, for no liquor can be legally

sold here, and the penalties attached

to the illegal traffic, are sufficiently

severe, if cenforced, to deter persons

om the violation of law. We say

Upon the friends and advocates of

prohibition now falls a heavy respon-

sibility. Their apparent victory will

prove to be a serious disaster to the

cause of temperance and morality.

unless followed by firm and prudent

action. If the legislation just sanc-

tioned by the popular vote becomes

a farce, and .the law a dead letter,

then the cause of temperance instead

the experiment is limited, because, in

tained and protected.
